

RÉSUMÉ DIGEST

ACT 333 (SB 328)

2024 Regular Session

Reese

Existing law requires the state forester to provide wildfire suppression training to the office of forestry employees to National Wildfire Coordinating Group standards.

New law retains existing law and further requires the state forester to establish a training program to train with volunteer firefighters regarding proper wildland fighting practices and procedures.

Effective May 28, 2024.

(Adds R.S. 3:4276(17))
