

RÉSUMÉ DIGEST

ACT 217 (HB 346)

2024 Regular Session

Butler

Existing law requires that the arboricultural examination and utility arboricultural examination be compiled from a list of questions submitted by the LSU Agricultural Center and the La. Dept. of Agriculture and Forestry.

New law adds the La. Arborist Assoc. and the Southern University Agricultural Research and Extension Center to the entities required to submit questions for the arboricultural examination and utility arboricultural examination.

Prior law required that arborists and utility arborists attend a continuing training seminar as determined by the commission for license renewal.

New law requires that arborists and utility arborists complete a continuing training seminar administered by the La. Arborist Assoc. or any other entity as determined by the commission for licence renewal. Further requires a showing of proof of general insurance and workers compensation insurance, if applicable.

Effective August 1, 2024.

(Amends R.S. 3:3807(B)(1) and 3808(A)(2) and (O)(2))
