Existing law provides for the disposition of state and local sales and use taxes collected from event sales held at state-owned domed facilities and at facilities owned and operated by or for the state, or any of its agencies or commissions, or by any political subdivision, or on the publicly owned property on which the facility is located.

Prior law dedicated 66% of the local sales and use tax proceeds derived from event sales at the Angola State Penitentiary Prison Rodeo to the West Feliciana Parish School Board and 34% to the West Feliciana Council on Aging.
