

RÉSUMÉ DIGEST

ACT 227 (HB 623)

2024 Regular Session

Romero

Prior law required the appointment of at least two members of the State Licensing Bd. for Contractors (board) from a list of four names submitted by the American Subcontractors Assoc. of La.

Prior law further required these members to have the greater part of their experience as a subcontractor in the construction industry in fields other than electrical or mechanical construction.

New law provides that two members shall be appointed to the board by the governor pursuant to the following conditions:

- (1) One member shall be nominated from a list of three members of the La. Concrete Assoc. by the speaker of the House of Representatives and shall have the greater part of his experience as a licensed concrete contractor.
- (2) One member shall be nominated from a list of three members of the American Subcontractors Assoc. of La. by the president of the Senate and shall have the greater part of his experience as a subcontractor.

Effective August 1, 2024.
