

## RÉSUMÉ DIGEST

**ACT 438 (HB 638)**

**2024 Regular Session**

**Muscarello**

Existing law provides that private security businesses operating pursuant to existing law shall not be prohibited from practicing through a partnership, corporation, or association.

Existing law provides that at least one partner or corporate officer shall be licensed when the business's primary activity consists of providing services pursuant to existing law.

New law provides that no conflicting provision in existing law shall render any other existing law inapplicable.

Effective August 1, 2024.

(Adds R.S. 37:3294(C))
