The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Amanda Trapp.

DIGEST 2025 Regular Session

Fesi

<u>Present law</u> requires the Louisiana Department of Health to establish a water fluoridation program for public water systems with at least 5,000 service connections and provides exemptions for water systems that meet certain criteria.

<u>Present law</u> requires the Louisiana Department of Health to establish the levels of fluoride for public water systems to comply with the fluoridation program.

Proposed law repeals the Louisiana Department of Health's water fluoridation program.

Proposed law prohibits the fluoridation of any public water systems.

Effective August 1, 2025.

SB 2 Original

(Adds R.S. 40:5.3.1; repeals R.S. 40:5.11)
