14 Be it enacted by the Legislature of Louisiana:

15 Section 1. R.S. 37:799 is hereby enacted to read as follows:

16 §799. Interstate Dental and Dental Hygiene Licensure Compact; adoption

17 The Interstate Dental and Dental Hygiene Licensure Compact is hereby
18 enacted into law and the governor shall enter into a compact on behalf of the state
19 with any jurisdiction legally joined therein, in the form substantially as follows:

1 SECTION 1. PURPOSE

2 This compact shall be known as the Interstate Dental and Dental Hygiene
3 Licensure Compact and the purpose of the compact is to expedite licensure and
4 increase access to dental healthcare through licensure boards acting in cooperation.

5 The compact adopts the existing structures most utilized by dental boards across the
6 United States, while ensuring the safety of the public through the sharing of
7 documents and information. This compact ensures that each state retains the right
8 to impose an adverse action on a licensee as a home state or as a practicing state.
9 Each state has an opportunity to share investigations and information with the home
10 state of licensure. The compact is operated by state dental board members,
11 administrators and other staff, thus allowing for each state to maintain its
12 sovereignty.

13 The compact does all of the following:

14 (1) Allows for expedited licensure portability and ease of movement of
15 licensees between states.

16 (2) Allows each state to continue to regulate the practice of dentistry and
17 dental hygiene within its borders.

18 (3) Creates a common goal of protecting the public by ensuring a uniform
19 licensure standard and sharing of information in the compact.

20 (4) Allows for licensure in every participating state by requiring passage of
21 the uniform licensure examination that assesses psychomotor and cognitive dental
22 skills and is currently accepted in fifty state licensing jurisdictions and United States
23 territories.

24 (5) Gives licensees one location to maintain professional documentation to
25 expedite license transfers in states, hospitals, or institutional credentialing.

26 (6) Facilitates a faster licensure process for relocation or separation of
27 military members and their dependent spouses; there are no compact fees for military
28 members or their spouses.

29 (7) Alleviates a duplicative process for licensure among multiple states.

1 (8) Saves applicants money by not having to obtain duplicate documents
2 from a source that charges for the documents.

15 and efficiently implement and achieve the purposes and administration of the

16 compact. Notwithstanding the foregoing, in the event the commission exercises its

17 rulemaking authority in a manner that is beyond the scope of the purposes of the

18 compact or the powers granted to it, then such an action by the commission may be

19 determined to be invalid and have no force or effect.

20 B. Rules validly issued by the commission shall have the force of law in each

21 member state.

22 C. Rules deemed appropriate for the operations of the commission shall be

23 made pursuant to a rulemaking process that substantially conforms to the Model

24 State Administrative Procedure Act of 2010, and subsequent amendments thereto.

25 SECTION 12. OVERSIGHT OF THE COMPACT

26 A. The executive, legislative, and judicial branches of state government in

27 each member state shall enforce the compact and shall take all actions necessary and

28 appropriate to effectuate the compact's purposes and intent to allow for expedited

29 licensure for the purpose of mobility. The provisions of the compact and the rules

1 promulgated hereunder shall have standing as statutory law but shall not override
2 existing state authority to regulate the practice of dentistry and dental hygiene.

3 B. All courts may take judicial notice of the compact and the rules in any
4 judicial or administrative proceeding in a member state pertaining to the subject
5 matter of the compact which may affect the powers, responsibilities, or actions of the
6 commission.

7 C. The commission shall be entitled to receive all service of process in any
8 such proceeding and shall have standing to intervene in the proceeding for all
9 purposes. Except where the commission has intervened, failure to provide service
10 of process to the commission shall render a judgment or order void as to the
11 commission, the compact, or promulgated rules.

12 SECTION 13. ENFORCEMENT AND DEFAULT PROCEDURES

13 A. The commission, in the reasonable exercise of its discretion, shall enforce
14 the provisions and rules of the compact.

15 B. The grounds for default under this compact by a member state include but
16 are not limited to failure of a member state to perform such obligations or
17 responsibilities imposed upon it by the compact or by the rules and bylaws of the
18 commission promulgated in accordance with the compact.

19 C. If the commission determines that a member state has defaulted in the
20 performance of its obligations or responsibilities pursuant to the compact, or the
21 bylaws or promulgated rules, the commission shall do both of the following:

22 (1) Provide written notice to the defaulting state and other member states of
23 the nature of the default, the means of curing the default, and any action taken by the
24 commission. The commission shall specify the conditions by which the defaulting
25 state shall cure its default.

26 (2) Provide remedial training and specific technical assistance regarding the
27 default.

28 D. If the defaulting state fails to cure the default, the defaulting state shall
29 be terminated from the compact upon an affirmative vote of a majority of the

1 commissioners and all rights, privileges, and benefits conferred by the compact shall
2 terminate on the effective date of termination. A cure of the default does not relieve
3 the offending state of obligations or liabilities incurred during the period of the
4 default.

5 E. Termination of membership in the compact shall be imposed only after
6 all other means of securing compliance have been exhausted. Notice of intent to
7 terminate shall be given by the commission to the governor, the majority and
8 minority leaders of the defaulting state's legislature, and each of the member states.

9 F. The commission shall establish rules and procedures to address licenses
10 and compact license privilege holders that are materially impacted by the termination
11 of a member state or the withdrawal of a member state.

12 G. The commission shall not bear any costs relating to any state that has
13 been found to be in default or which has been terminated from the compact, unless
14 otherwise mutually agreed upon in writing between the commission and the
15 defaulting state.

16 H. The defaulting state may appeal the action of the commission by
17 petitioning the state court where the commission has its principal offices. The
18 prevailing party shall be awarded all costs of such litigation, including reasonable
19 attorneys' fees.

20 I. The commission shall not bear any costs relating to any state that has been
21 found to be in default or which has been terminated from the compact, unless
22 otherwise mutually agreed upon in writing between the commission and the
23 defaulting state.

24 J. The remedies herein shall not be the exclusive remedies of the
25 commission. The commission may avail itself of any other remedies available in
26 accordance with state law or the regulation of a profession.

1 SECTION 14. DISPUTE RESOLUTION

2 A. The commission shall attempt, upon the request of a member state dental
3 board, to resolve disputes which are subject to the compact and which may arise
4 among member state dental boards.

5 B. The commission shall promulgate rules providing for both mediation and
6 voluntary binding dispute resolution, as appropriate.

7 SECTION 15. MEMBER STATES, EFFECTIVE DATE AND AMENDMENT

8 A. Any state is eligible to become a member state of the compact.

9 B. The compact shall become effective and binding upon legislative
10 enactment of the compact into law by no less than five states. Thereafter, it shall
11 become effective and binding on a state upon enactment of the compact into law by
12 that state.

13 C. The governors of nonmember states, or their designees, shall be invited
14 to participate in the activities of the commission on a nonvoting basis prior to
15 adoption of the compact by all states.

16 D. The commission may propose amendments to the compact for enactment
17 by the member states. No amendment shall become effective and binding upon the
18 commission and the member states unless and until it is enacted into law by
19 unanimous consent of the member states.

20 SECTION 16. WITHDRAWAL

21 A. Once effective, the compact shall continue in force and remain binding
22 upon each and every member state; however, a member state may withdraw from the
23 compact after giving appropriate notice by specifically repealing the statute which
24 enacted the compact into law.

25 B. The licensee's compact license privilege shall remain in effect for six
26 months from the date of the member state dental board withdrawal.

27 C. The withdrawing state shall immediately notify the chairperson of the
28 commission in writing upon the introduction of legislation repealing the compact by
29 the withdrawing state, and upon the enactment of such legislation.

1 D. The commission shall notify the other member states within sixty days
2 of its receipt of notice provided pursuant to Section 16(c) of this compact.

3 E. Reinstatement following withdrawal of a member state shall occur upon
4 the withdrawing state reenacting the compact or upon such later date as determined
5 by the commission.

6 F. The commission shall issue rules to address the impact of the withdrawal
7 of a member state on licenses granted by other member states to dentists and dental
8 hygienists who designated the withdrawing member state as their home state.

9 SECTION 17. DISSOLUTION

10 A. The compact shall dissolve effective upon the date of the withdrawal or
11 default of the member state which reduces the membership in the compact to one
12 member state.

13 B. Upon the dissolution of the compact, the compact shall become null and
14 void and shall be of no further force or effect, and the business and affairs of the
15 commission shall be concluded and surplus funds shall be distributed in accordance
16 with the bylaws.

17 SECTION 18. SEVERABILITY AND CONSTRUCTION

18 A. The provisions of the compact shall be severable, and if any phrase,
19 clause, sentence, or provision is deemed unenforceable, the remaining provisions of
20 the compact shall be enforceable.

21 B. The provisions of the compact shall be liberally construed to effectuate
22 its purposes.

23 SECTION 19. BINDING EFFECT OF COMPACT AND OTHER LAWS

24 A. Nothing herein prevents the enforcement of any other law of a member
25 state that is not inconsistent with the compact.

26 B. All lawful actions of the commission, including all rules and bylaws
27 promulgated by the commission, shall be binding upon the member states.

28 C. All agreements between the commission and the member states shall be
29 binding in accordance with their terms.

D. In the event any provision of the compact exceeds the constitutional limits imposed on the legislature of any member state, such provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.

SECTION 20. RULES OF ORDER

The most current edition of the American Institute of Parliamentarians
Standard Code of Parliamentary Procedure shall govern all meetings of the
commission, including its committees, in those situations not otherwise covered in
the bylaws.

HB 543 Original

2025 Regular Session

McMahan

Abstract: Enacts the Interstate Dental and Dental Hygiene Licensure Compact.

Proposed law provides for the creation of Interstate Dental and Dental Hygiene Licensure Compact.

Proposed law provides that the purpose of the compact is to expedite licensure and increase access to dental healthcare through licensure boards acting in cooperation.

Proposed law requires the compact to do all of the following:

- (1) Allows for expedited licensure portability and ease of movement of licensees between states.
- (2) Allows each state to continue to regulate the practice of dentistry and dental hygiene within its borders.
- (3) Creates a common goal of protecting the public by ensuring a uniform licensure standard and sharing of information in the compact.
- (4) Allows for licensure in every participating state by requiring passage of the uniform licensure examination that assesses psychomotor and cognitive dental skills and is currently accepted in fifty state licensing jurisdictions and United State territories.
- (5) Gives licensees one location to maintain professional documentation to expedite license transfers in states, hospitals, or institutional credentialing.
- (6) Facilitates a faster licensure process for relocation or separation of military members and their dependent spouses; there are no compact fees for military members or their spouses.
- (7) Alleviates a duplicative process for licensure among multiple states.
- (8) Saves applicants money by not having to obtain duplicate documents from a source that charges for the documents.

Proposed law defines applicable terms.

Proposed law prohibits each member state within the compact from enacting a compact that is materially different from this compact.

Proposed law establishes the powers and duties of the member states and the commission. Proposed law also establishes certain criteria for membership, voting, and meetings. Proposed law provides for member states obligations and duties to the commission, such as providing necessary and required documentation and data.

Proposed law provides that each licensee holding a compact license privilege shall be subject to the jurisdiction and authority of the member state dental board of the state where the licensee practices.

Proposed law provides that a licensee holding a compact license privilege may have an adverse action taken against him by any of the following:

- (1) The member state dental board of the member state where he is practicing with a compact license privilege.
- (2) The licensee's home state.
- (3) The state licensing authority of a state that is not a member state from where the licensee holds a license.

Proposed law provides that no compact fee shall be required of any active-duty military member or his spouse up to one year after separation from the service. Proposed law also allows a member state issuing a compact license privilege to waive fees for active-duty military members or their spouses.

Proposed law establishes the procedure for conducting joint investigations and disciplinary actions.

Proposed law allows insurance companies and entities verifying documents for licensing purposes to seek information from the clearinghouse for public record documents.

Proposed law requires the commission to promulgate any reasonable rules necessary for the effective and efficient implementation of the compact. Proposed law further provides that the rules issued by the commission shall have the force of law in each member state.

Proposed law establishes provisions for governmental oversight, dispute resolution, and enforcement of the compact.

Proposed law provides that the compact shall come into effect on the date on which the compact statute is enacted into law in the fifth member state. Proposed law further establishes provisions for a state's withdrawal and dissolution from the compact.
