HB 621 Original

2025 Regular Session

Bourriaque

Abstract: Establishes the Louisiana Highway Construction Authority.

Proposed law specifies that it is the intent of the legislature to take necessary steps to accelerate the efficient maintenance, preservation, rehabilitation, restoration, and improvement of our state highway and bridges.

Proposed law defines "authority" as the La. Highway Construction Authority.

Proposed law authorizes the authority to have distinct powers, duties, and responsibilities designed to improve planning for the transportation needs of the public.

Proposed law creates personnel to support the mission of the La. Hwy. Construction Authority to fulfill the duties and responsibilities of the office.

Proposed law requires the authority to seek avenues to secure resources for the planning and construction of transportation efforts in the state.

Proposed law requires the DOTD to work in conjunction with the authority on all projects and plans pertaining to transportation needs in the state.

Effective upon the signature of the governor or lapse of time for gubernatorial action.
