Provides for the inspection of assessment lists, challenges to the correctness of assessments, and reviews by boards of review and the La Tax Commission

Current law provides for exposure of assessment lists for inspection by taxpayers and interested persons and specifies a time frame for assessors to notify the LA Tax Commission (LTC) of changes made following the inspection period. Current law provides for procedures related to notification to the public for the board of review to conduct public hearings and procedures for taxpayers related to appeals to the local board of review.

Proposed law specifies the exact wording, method, and frequency for assessors to notify the public about the exposure period of assessment lists and the deadline for filing an appeal. Proposed law also revises procedures related to appeals made to the local board of review and considerations when the board makes a determination.
