Provides relative to qualifications for state supplemental pay for firemen

Proposed legislation requires firemen to complete and pass a certified firemen’s training program from a Pro Board accredited agency or the International Fire Service Accreditation Congress (IFSAC) for purposes of receiving state supplemental pay. Proposed legislation removes certification from training programs approved by the office of the state marshal Fire and Emergency Training Academy for purposes of receiving supplemental pay.

**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The proposed measure excludes training programs approved by the office of the state fire marshal’s Fire and Emergency Training Academy from eligibility for supplemental pay, unless the training programs are accredited by a Pro Board agency or the International Fire Service Accreditation Congress (IFSAC).

Note: The LFO anticipates that there would be no impact on the number of firefighters currently eligible for supplemental pay.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
