§3135. Louisiana Board of International Commerce

A. The Louisiana Board of International Commerce is hereby created ~~within the office of international commerce of~~ **as an advisory board to** Louisiana Economic Development. The board shall be domiciled in East Baton Rouge Parish.

B. The board shall ~~exercise,~~ subject to the provisions of this Chapter, ~~the following duties:~~

(1) ~~Develop, coordinate, implement, make reports on, manage, and provide oversight of the Master Plan of International Commerce and prepare annual reports to the legislature. The master plan~~ **conduct meetings, studies, and investigations as the secretary may direct and shall report its findings and recommendations to the secretary. The recommendations may be incorporated into Louisiana Economic Development's master strategic plan, which** shall position Louisiana as a leader in international commerce and trade and shall include a comprehensive strategy addressing all matters of international commerce and trade for the state of Louisiana. ~~An annual report shall monitor the progress of the implementation of the master plan and shall be submitted to the legislature for approval as set forth in R.S. 51:3137.~~

(2) ~~Develop and execute a strategy to coordinate planning, marketing, and resources between all private or nongovernmental organizations, private business interests, international ports, the department, other departments of state government, including the Department of Transportation and Development, the Department of Agriculture and Forestry, the Department of Culture, Recreation and Tourism, and any other federal or state governmental agency involved in international commerce.~~

(3) ~~Establish criteria for projects to be included in the master plan and use these criteria to evaluate and approve projects for inclusion in the master plan that are submitted by the organizations, entities, or persons provided in Paragraph (2) of this Subsection.~~

(4) ~~Include in the master plan projects approved by the board.~~

1 ~~(5) Include in the annual report a detailed description of each project included~~
2 ~~in the master plan, and the current status of approved projects.~~

3 ~~(6) Create a mechanism to establish priorities of the approved projects and~~
4 ~~establish a procedure for the use of the priority system to control the order in which~~
5 ~~projects included in the master plan are executed.~~

6 ~~(7) Coordinate and assist the organizations, entities, or persons described in~~
7 ~~Paragraph (2) of this Subsection in its development and execution of projects that are~~
8 ~~approved by the board as being consistent with the comprehensive strategy of the~~
9 ~~master plan and in the priority order established by the board. Such assistance by the~~

15 ~~(9) Identify, solicit, and recommend to the secretary, partnerships, joint~~
16 ~~ventures, memoranda of understanding, cooperative endeavors, or other similar~~
17 ~~relationships with local, state, or federal public entities, foreign governments,~~
18 ~~nongovernmental organizations, or private entities and business interests to~~
19 ~~implement the master plan. Such public entities shall include but are not limited to~~
20 ~~the following: the Department of Transportation and Development, the Department~~
21 ~~of Agriculture and Forestry, and the Department of Culture, Recreation and Tourism.~~

22 ~~(10) Identify, accept, obtain or assist in obtaining, foreign, federal, state, and~~
23 ~~private funds consistent with the provisions of this Chapter. Such funds shall include~~
24 ~~funds from matching sources, gifts, grants, and donations.~~

25 ~~(11) Develop and implement methods to self-generate funds. Such funds~~
26 ~~obtained consistent with the provisions of this Chapter shall be used solely for the~~
27 ~~operations of the office and execution of projects included in the master plan.~~

28 ~~(12) Identify funding sources for infrastructure that is required to support~~
29 ~~projects or existing facilities and assist organizations, entities, or persons provided~~

1 ~~in Paragraph (2) of this Subsection to enter into business relationships, such as~~
2 ~~public-private partnerships, to secure funding for such infrastructure.~~

3 ~~(13) Conduct meetings and hold hearings.~~

4 ~~(14) Adopt rules in accordance with the Administrative Procedure Act~~
5 ~~consistent with the provisions of this Chapter.~~

6 ~~(15) As determined by the board, the chairman shall appoint advisory~~
7 ~~subcommittees to review, evaluate, and report to the board on projects proposed for~~
8 ~~inclusion in the master plan or for other purposes as approved by the board. In~~
9 ~~accordance with the scope of the subcommittee's work, the subcommittee may~~
10 ~~include non-board personnel. Such personnel shall not be compensated by the board.~~
11 ~~The board may request the secretary to engage experts to assist the board in~~
12 ~~performing its functions and duties. Every effort shall be made to utilize the staff of~~
13 ~~the office, department, international ports, nongovernmental organizations, or state~~
14 ~~universities prior to the engagement of outside experts.~~

15 ~~(16) Establish a recommended annual budget for the operation of the office~~
16 ~~and submit such recommended budget to the secretary for inclusion in the~~
17 ~~department's annual budget. Funding of the office for the first year of operation shall~~
18 ~~be derived from existing department resources and funds. Details of the office's~~
19 ~~revenues and expenses, including its recommended annual budget, shall be included~~
20 ~~in the annual report.~~

21 ~~(17) Expend funds consistent with the provisions of this Chapter.~~

22 ~~(18) Recommend that the secretary enter into agreements, memoranda of~~
23 ~~understanding, and cooperative endeavors with foreign governments, private entities,~~
24 ~~nongovernmental organizations, and local, state, and federal public entities that are~~
25 ~~consistent with the provisions of this Chapter.~~

26 ~~(19) Provide recommendations to the legislature with respect to the~~
27 ~~implementation, management, and funding of the office.~~

control and supervision of LED, and authorizes the secretary to directly purchase property by act of cash sale or enter into an option for purchase of property. Further provides that any revenue received from such shall be deemed as self-generated revenue and shall be deposited into the Site Investment and Infrastructure Fund.

Present law provides that the office of business development shall perform certain functions of the state.

Proposed law retains present law except changes the name of the office of business development to the office of economic development.

Present law places the office of entertainment industry development, the office of international commerce and the La. Board of International Commerce, and the La. Military Advisory Council within LED.

Proposed law abolishes the office of entertainment industry development and the office of international commerce and transfer its powers, duties, and functions to LED.

Present law creates the La. Economic Development Corporation and provides that the corporation shall be governed and its corporate powers shall be exercised by a board of directors. Provides that the secretary of LED shall serve as president of the corporation, and the secretary or his designee shall be a member of the board of directors. Provides that the undersecretary of LED shall serve as secretary-treasurer of the board but shall not be a member of the board.

Proposed law retains present law in part except provides that the deputy secretary of LED or a designee shall serve as secretary-treasurer of the board but shall not be a member of the board.

Present law provides that the La. Economic Development Corporation has the authority to establish a nonprofit corporation as a state development company, to engage in cooperative endeavors with the federal government, primarily focusing on participating in loan programs, for which it may become eligible. Further provides that members of the board of directors for the La. Economic Development Corporation may also serve as board members for the nonprofit corporation.

Proposed law repeals present law.

Proposed law creates, within the state treasury, the La. Economic Development Innovation Fund (fund).

Proposed law provides that the fund shall consist of monies made available for appropriation to LED and utilized for economic development initiatives as determined appropriate by the secretary, who will develop certain guidelines for objectives and performance-based criteria for fund distribution.

Proposed law allows the legislature to appropriate monies annually into the fund, which shall be deposited and categorized as fees and self-generated revenue for the purpose of reporting related to executive budget, supporting documents, and general appropriation bills.

Proposed law provides that out of the funds remaining in the Bond Security and Redemption Fund, the treasurer shall deposit in and credit to the account the fees deposited as provided in proposed law, after a sufficient amount is allocated from the fund to pay all obligations secured by the full faith and credit of the state.

Proposed law provides that the treasurer shall invest the money in the account in the same manner as funds are invested in the state general fund and all interest earned shall be credited back to the account. Provides that all unexpended and unencumbered money remaining in

the account at the end of the fiscal year shall be retained within the account.

Present law defines the terms "master plan", "office", and "project".

Proposed law removes the terms "master plan", "office", and "project" from present law.

Present law creates the La. Board of International Commerce (the board) within the office of international commerce of LED and provides that the board shall exercise certain duties.

Proposed law removes the board from the office of international commerce and provides that the board will operate as an advisory board to LED. Removes all the duties of the board in present law and provides that the duty of the board is to conduct meetings, studies, and investigations as the secretary may direct and report all findings and recommendations thereon to the secretary.

Present law provides that the board shall consist of the following members:

- (1) The secretary of LED or his designee.
- (2) The secretary of the Dept. of Transportation and Development or his designee.
- (3) The commissioner of the Dept. of Agriculture and Forestry or his designee.
- (4) The secretary of the Dept. of Culture, Recreation and Tourism or his designee.
- (5) Eight members appointed by the governor, who represent regional economic development organizations in the state.
- (6) Four members appointed by the governor, representing international business and manufacturing business, relating to international commerce.
- (7) Six members appointed by the governor who represent international ports.
- (8) One member appointed by the governor to represent the state's airports.
- (9) The commissioner of the office of multimodal commerce in the Dept. of Transportation and Development or his designee.

Proposed law changes the membership of the board as follows:

- (1) The secretary of the LED or his designee.
- (2) The commissioner of the Dept. of Agriculture and Forestry or his designee.
- (3) Eight members appointed by the governor, one from within the geographic boundaries of each of the state's eight regional economic development organizations.
- (4) Six members appointed by the governor, of which one member shall represent international business, one member shall represent manufacturing business relating to international commerce, two members shall represent state's ports and two members shall represent the state's utility providers.
- (5) The commissioner of the office of multimodal commerce in the Dept. of Transportation and Development or his designee.

Effective August 1, 2025.
