PHARMACISTS: Permits a pharmacy technician to work remotely in certain circumstances.

DIGEST

Proposed law provides that a pharmacy technician licensed in this state and employed by a pharmacy licensed in this state may access the pharmacy's software system or dispensing information system from a location other than a pharmacy in order to fulfill job tasks remotely.

Proposed law provides that a pharmacy shall establish controls to protect the privacy and security of confidential records and that no pharmacy software shall be duplicated, downloaded, or removed by a pharmacy technician.

Proposed law requires the La. Board of Pharmacy to promulgate rules to implement proposed law.
