EXPENDITURE EXPLANATION

As a result of proposed legislation, when a member of the Louisiana state guard dies while on active duty, the Louisiana Military Department will be responsible for a one-time payment of \$200,000 for death benefits. The Louisiana Military Department, based on existing data, reports instances of death while on active duty are rare; as a result, an annual appropriation of funding for this purpose is not required. The LA Department of Veterans Affairs reports that qualifying for a disability benefit as part of the Louisiana State Guard is unlikely. To the extent that a State Guard member qualifies for either the death benefit or a disability benefit, the LFO anticipates the respective department to seek a supplemental appropriation, assumed in this fiscal note to be SGF.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
