EXPENDITURE EXPLANATION

Proposed law will result in an increase in SGF expenditures within the Secretary of State’s office for additional compensation for the Registrars of Voters and their Chief Deputies and Confidential Assistants starting in FY 26. Under present law, compensation varies based on the population of the parish and the years of experience of the individual. Currently, the highest step on the salary schedule is step 12. Proposed law provides that upon a finding of “excellent” on a merit evaluation of each Registrar of Voters, Chief Deputy, and Confidential Assistant whose salary is at step 12, that person be eligible to receive a 5% increase. Proposed law limits the number of increases to five. *According to the Secretary of State’s office, the local’s cost share of the salaries has been capped and thus any additional cost due to the implementation of proposed law will be borne by the state.*

Based on the actual salaries of the current Registrar of Voters, Chief Deputies, and Confidential Assistants, the increased cost breakdown for salaries and related benefits is provided in the table below.
