

2025 Regular Session

SENATE RESOLUTION NO. 154

BY SENATOR DUPLESSIS

VOTERS/VOTING. Creates the Task Force on Ensuring Voter Participation in the Political Process to study mechanisms to ensure and promote voter participation in the political process.

1 A RESOLUTION

2 To create the Task Force on Ensuring Voter Participation in the Political Process; to provide
3 for membership of the task force; to provide that the task force study mechanisms
4 to encourage and promote voter participation in the political process; and to require
5 the task force to make written recommendations to the legislature prior to the 2026
6 Regular Session.

7 WHEREAS, voting is the cornerstone of American democracy; and

8 WHEREAS, the resiliency of Louisiana's political institutions relies on the robust
9 political participation of the citizens of this state; and

10 WHEREAS, voter turnout in the 2024 election cycle dropped to the lowest numbers
11 recorded in the past four presidential election cycles; and

12 WHEREAS, voter turnout for local elections, often lower than 25 percent statewide,
13 has dropped to single digits in recent off-cycle elections and has declined at times to near
14 negligible numbers in some precincts; and

15 WHEREAS, from January 2020 to January 2025, there have been 25 elections held
16 in our state while during the same five-year period, neighboring states held nearly the same
17 amount of elections combined, averaging only a fraction of the total number of elections in
18 each state; and

1 WHEREAS, the multitude of elections in Louisiana has created voter fatigue with
2 a further reduction in voter turnout; and

3 WHEREAS, the expense and cost to taxpayers with frequent elections can be
4 substantially reduced by election consolidation or other cost efficiency considerations; and

5 WHEREAS, research indicates that consolidation of elections increases voter turnout
6 across the board and leads to more engaged local officials, while not granting advantage to
7 any political party; and

8 WHEREAS, every election is important and every vote has unique, invaluable weight
9 in the maintenance of our democracy and the intrinsic worth of voter participation in
10 elections if valuable in the legislative process.

11 THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana
12 hereby establishes the Task Force on Ensuring Voter Participation in the Political Process
13 to study mechanisms to encourage and support voter participation, including but not limited
14 to supporting development of partnerships for civic engagement, policies supporting voter
15 registration and turnout, and recommendations for consolidation or streamlining of elections
16 in our state.

17 BE IT FURTHER RESOLVED that its primary objective is to deliberate on all
18 applicable facts, circumstances, policies, and procedures that contribute to our state's rates
