EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed law provides for a special statewide election on Saturday, April 18, 2026, for proposed constitutional amendments passed during the 2025 Regular Session. The April 18th election is currently scheduled as a Party Primary Election (statewide).

As a regular practice, the Secretary of State typically budgets for up to 10 constitutional amendments and statewide propositions for statewide elections. To the extent the ballot includes more than 10 constitutional amendments and statewide propositions, the Secretary of State may require additional SGF resources for the April 18, 2026, statewide election. Any expenditure impact would be realized in FY 26.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
