

HOUSE SUMMARY OF SENATE AMENDMENTS

HB 622

2025 Regular Session

Hilferty

INSURANCE/HEALTH: Requires health insurance coverage for histotripsy procedures

Synopsis of Senate Amendments

1. Removes requirement for insurance coverage for histotripsy procedures.
2. Creates an advisory board within the Dept. of Insurance to review and provide recommendations for approval of new treatments for certain cancers.

Digest of Bill as Finally Passed by Senate

Proposed law creates an advisory board within the Dept. of Insurance to review and provide recommendations for approval of new treatments for certain cancers. Provides for composition of the board and designates a chairperson.

Proposed law provides for quarterly meetings of the board. Further provides for a written report of its findings submitted to the legislature within 30 days of each meeting.

Proposed law authorizes the commissioner of insurance to adopt rules in accordance with the APA to implement proposed law.
