

SENATE RESOLUTION NO. 120

BY SENATOR BARROW

A RESOLUTION

To urge and request the Senate Committee on Finance, or a subcommittee thereof, in conjunction with the Nineteenth Judicial District Court, the East Baton Rouge Clerk of Court, and the Louisiana Department of Justice, to study and make recommendations on court costs in suits involving the state and political subdivisions in the Nineteenth Judicial District Court prior to the convening of the 2026 Regular Session of the Legislature of Louisiana.

WHEREAS, the Nineteenth Judicial District Court serves as the state district court in the capital of Louisiana, handling litigation involving state agencies included in R.S. 36:4(A) as well as many other state and local governmental entities; and

WHEREAS, the Nineteenth Judicial District Court stands apart from other district courts in that it is the proper venue for the majority of suits filed by or against the state of Louisiana or any state agency under the provisions of R.S. 13:5104; and

WHEREAS, although these suits filed by the state or any state agency require the same handling as any other civil suit filing, the state as a filing party does not pay any advanced costs based upon the provisions of R.S. 13:4521; and

WHEREAS, the Nineteenth Judicial District Court is burdened with the expenses associated with a proceeding until such a time, which is indeterminable or may never occur, that there is a resolution to the proceeding; and

WHEREAS, each year the state accrues an additional debt owed to the Nineteenth Judicial District Court of approximately \$700,000; and

WHEREAS, the overall outstanding balance for unpaid advanced costs owed by the state presently exceeds \$7 million based upon a review of the past ten years; and

WHEREAS, it is a priority to establish the full amount of the expenses that the Nineteenth Judicial District Court absorbs from proceedings filed by the state and political subdivisions; and

WHEREAS, it is imperative to identify a dedicated funding source to defray the costs associated with these proceedings and compensate the Nineteenth Judicial District Court.

THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana does hereby authorize and request the Senate Committee on Finance, or a subcommittee thereof, in conjunction with the Nineteenth Judicial District Court, the East Baton Rouge Clerk of Court, and the Louisiana Department of Justice, to study and make recommendations on court costs in suits involving the state and political subdivisions in the Nineteenth Judicial District Court prior to the convening of the 2026 Regular Session of the Legislature of Louisiana.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the Nineteenth Judicial District Court.
