

## RÉSUMÉ DIGEST

**ACT 167 (HB 246)**

**2025 Regular Session**

**Amedee**

Existing law generally requires all school boards to establish a salary schedule by which to determine the salaries to be paid to teachers and other school employees. New law adds this as a specific requirement under the enumerated powers and duties of the governing board of the Jimmy D. Long, Sr. Louisiana School for Math, Science, and the Arts (LSMSA).

Existing law provides that funding for LSMSA is provided through legislative appropriations made directly to the school from the state general fund and through funds appropriated through the minimum foundation program formula. New law specifies that the cost of the salaries shall be paid from funds subject to appropriation by the legislature.

Effective August 1, 2025.
