

RÉSUMÉ DIGEST

ACT 112 (SB 129)

2025 Regular Session

Pressly

Existing law requires health insurance plans to provide coverage for certain treatments for cancer.

New law adds proton therapy treatment for cancer as recommended by the American Society for Radiation Oncology practice guidelines to the list of treatments health insurance plans must cover.

New law applies to any new policy, contract, program, or health coverage plan issued on or after January 1, 2026. Any policy, contract, or health coverage plan in effect prior to January 1, 2026, shall convert to conform to the provisions of new law on or before the renewal date, but no later than January 1, 2027.

Effective August 1, 2025.
