

RÉSUMÉ DIGEST

ACT 49 (HB 55)

2025 Regular Session

Davis

New law creates the Cross Gates Subdivision Crime Prevention and Neighborhood Improvement District as a political subdivision in East Baton Rouge Parish for the purpose of aiding in crime prevention by providing for an increase in security patrols in the district and providing for the overall betterment of the district. Provides for district boundaries. Provides that the district will be governed by a five-member board of commissioners composed as follows:

- (1) Four members appointed by the board of directors of the Cross Gates Homeowners Association.
- (2) One member appointed jointly by the member of the La. House of Representatives and La. Senate whose districts encompass all or the greater portion of the area of the district.

New law provides for the district's powers and duties, including the following:

- (1) To receive and expend funds from an authorized parcel fee and in accordance with an adopted budget.
- (2) To enter into contracts with individuals or entities, private or public.
- (3) To provide or enhance security patrols in the district, to provide for improved lighting, signage, or matters relating to the security of the district.
- (4) To enter into contracts and agreements with one or more other districts for the joint security, improvement, or betterment of all participating districts.

New law authorizes the board, subject to voter approval, to impose a parcel fee on each improved and unimproved parcel within the district, not to exceed \$400 per parcel per year. Provides, however, that the initial fee for the first calendar year shall not exceed \$150 per parcel. Authorizes the board to change the fee amount, not to exceed the maximum. Provides that the fee expires at the time provided in the proposition authorizing the fee, not to exceed ten years. Authorizes renewal of the fee for a term provided in the proposition, not to exceed ten years. Defines "parcel" to mean a lot, a subdivided portion of ground, an individual tract, or a "condominium parcel".

New law provides that the fee shall be collected in the same manner and at the same time as ad valorem taxes and that any unpaid fee shall be added to the parish tax rolls and enforced with the same authority and subject to the same penalties and procedures as unpaid ad valorem taxes. Requires the tax collector to remit to the district all amounts collected not more than 60 days after collection and authorizes the district to enter into an agreement with the tax collector to authorize the retention of a collection fee, not to exceed 1% of the amount collected.

New law requires the district's board to adopt an annual budget in accordance with existing law (La. Local Government Budget Act) and provides that the district shall be subject to audit by the legislative auditor.

New law provides that it is the purpose and intent of new law that the additional law enforcement personnel and their services provided for through the fees authorized by new law shall be supplemental to, and not in lieu of, personnel and services provided in the district by publicly funded law enforcement agencies.

New law provides that if the district ceases to exist, all district funds and property shall be transmitted to East Baton Rouge Parish and used to promote and enhance the security and overall betterment of the area included in the district.

Effective upon signature of governor (June 4, 2025).
