

1           WHEREAS, survivors are entitled to dignity, privacy, and protection, and  
2 transparency should never come at the expense of their safety or well-being; and

3           WHEREAS, transparency that is limited only by victim protection, rather than  
4 institutional convenience or reputational concern, is essential to restoring faith in the rule of  
5 law; and

6           WHEREAS, the Legislature of Louisiana possesses both the moral authority and  
7 civic duty to call for full accountability in matters of national justice and public integrity.

8           THEREFORE, BE IT RESOLVED that the House of Representatives of the  
9 Legislature of Louisiana does hereby formally demand the immediate public release by the  
10 United States Department of Justice, the Federal Bureau of Investigation, and all appropriate  
11 federal agencies of all records, investigative files, correspondence, agreements, and related  
12 materials concerning Jeffrey Epstein and any co-conspirators, facilitators, and affiliated  
13 individuals.

14           BE IT FURTHER RESOLVED that release of these records, documents, and  
15 materials shall occur with no redactions except those narrowly and demonstrably necessary  
16 to protect the identities, safety, and privacy of victims and survivors and prevent specific,  
17 articulable harm to any lawful, active criminal prosecution.

18           BE IT FURTHER RESOLVED that redactions shall not be used to shield  
19 embarrassment, institutional failure, political sensitivity, reputational harm, or the identity  
20 of any non-victim individual who participated in, enabled, or concealed any criminal  
21 conduct.

22           BE IT FURTHER RESOLVED that the House of Representatives of the Legislature  
23 of Louisiana declares that continued concealment of non-victim-protected information in this  
24 matter is incompatible with democratic accountability and the constitutional principle that  
25 no person is above the law.

26           BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the  
27 attorney general of the United States, the director of the Federal Bureau of Investigation, the  
28 speaker of the United States House of Representatives, the majority leader of the United  
29 States Senate, and each member of the Louisiana congressional delegation.
