

of contact. Allows the excavation, exercised with due care, if the operator fails to respond within three hours of contact.

Proposed law requires any excavator or demolisher performing excavation activities in the public right of way for a broadband development project to display signage at the excavation site identifying the excavator or demolisher, the broadband service provider for whom the work is being performed, and a contact telephone number or email address for project inquiries.

Proposed law provides that the provisions of proposed law terminate on August 1, 2030.

Present law requires each operator of an underground utility or facility, including state agencies and political subdivisions, to become a member of, participate in, and share the cost of a regional notification center, except for voluntary participation by incorporated municipalities and parish governments. Further requires the regional notification center to receive emergency locate requests 24 hours a day and promptly disseminate the information to appropriate operators and affected regional notification centers in the state.

Proposed law retains present law except removes the exemption for voluntary participation by incorporated municipalities and parish governments.

Present law requires an underground utility or facility operator to notify the excavator prior to the mark-by-time if the operator determines its facilities are not in conflict with the excavation location or are not fully marked for locating purposes. Provides that notification to the regional notification center that generated the locate request satisfies the positive response requirement.

Proposed law requires a facility operator to provide a positive response through the regional notification center before the expiration of the time allowed for marking, indicating whether the operator's facilities are present and marked, not present, or whether additional time is required.

Present law provides that the deputy secretary for the office of public safety services, Dept. of Public Safety and Corrections, or any local law enforcement agency shall have the right to:

- (1) Monitor any excavation or demolition, including requests for the excavator or demolisher to provide the locate request number issued by a regional notification center.
- (2) Issue citations for violations of the provisions of present law.
- (3) Seek restraining orders, injunctions, or any other available civil remedies.

Proposed law retains present law and adds the authorization for the Dept. of Public Safety and Corrections or any local law enforcement officer to order the cessation of excavation or demolition activities when the officer has reasonable cause to believe the excavator is in violation of present law. Defines "reasonable cause".
