On page 3, between lines 9 and 10, insert the following:

"1350.4. Annual reporting

A. The commission shall submit an annual report to the House Committee on Commerce, the Senate Committee on Commerce, Consumer Protection and International Affairs, and the governor no later than February fifteenth of each year. The report shall cover the prior calendar year and shall include but not be limited to all of the following:

(1) A list of all data centers that have requested or received new electric service, interconnection, or infrastructure upgrades.

(2) The total new or expanded electric demand, in megawatts, associated with data centers.

(3) A summary of all costs, including generation, transmission, and distribution, allocated to data centers versus household customers, including any special contracts or tariffs approved.

(4) Confirmation of compliance with the prohibition on cost recovery from household customers, include results of any prudence reviews.

(5) Any instances of proposed rate adjustments or certificates denied or modified pursuant to this Part.

(6) Recommendations for any legislative or regulatory improvements.

B. The commission may require utilities to submit data necessary to prepare the report outlined in this Section."
