

2026 Regular Session

HOUSE RESOLUTION NO. 210

BY REPRESENTATIVE ORGERON

A RESOLUTION

To designate Wednesday, April 29, 2026, as Gulf States Renewable Energy Industries Association Day at the state capitol and to commend the association and Project Vanguard.

WHEREAS, the Gulf States Renewable Energy Industries Association (GSREIA) is the trade association of member companies leading in all parts of the renewable energy supply chain; and

WHEREAS, GSREIA members provide good Louisiana jobs, local property tax revenue, and economic benefits to the state's local communities; and

WHEREAS, Project Vanguard is the nation's premier veteran-led network that connects transitioning service members and veterans to meaningful careers across the entire American energy sector from oil and gas to renewables, nuclear, and beyond; and

WHEREAS, GSREIA and Project Vanguard work with a diverse array of companies throughout the supply chain, including manufacturers, suppliers, distributors, developers of energy systems and components, and providers of installation, maintenance, and grid integration services; and

WHEREAS, GSREIA and Project Vanguard support the continued deployment of renewable energy resources, strengthening grid reliability, and contributing to long-term economic investment and job creation in the state; and

WHEREAS, GSREIA and Project Vanguard have fostered expansion of the sector across utility-scale, commercial, and residential energy generation and storage, which creates jobs and supports economic development; and

WHEREAS, GSREIA and Project Vanguard promote the expansion of new energy generation and strengthening of the region's renewable energy infrastructure; these efforts contribute to Louisiana's energy security and resilience, particularly in the face of natural disasters; and

WHEREAS, GSREIA includes companies across the nation and the Gulf Coast region, from small businesses to Fortune 500 companies, and stimulates sustainable economic growth by supporting workforce development, removing market barriers, and promoting innovation.

THEREFORE, BE IT RESOLVED that the House of Representatives of the Legislature of Louisiana does hereby designate Wednesday, April 29, 2026, as Gulf States Renewable Energy Industries Association Day at the state capitol; does hereby commend Gulf States Renewable Energy Industries Association and Project Vanguard for their efforts to promote the expansion of Louisiana's energy sector; and does hereby extend sincerest wishes that the association continue to cultivate a prosperous future, create jobs, and bolster innovation in the energy sector in the state and across the country.
