 25 the sum of Ninety Million and No/100 (\$90,000,000.00) Dollars.

26 Section 3. The amount to be distributed annually to each parish from the revenue  
 27 sharing fund shall be the sum of (a) an amount equal to that percentage of eighty percent of  
 28 the total fund which is equal to the ratio which the population of the parish bears to the total  
 29 state population, and (b) an amount equal to that percentage of twenty percent of the total  
 30 fund which is equal to the ratio which the number of homesteads in the parish bears to the

10 result of homestead exemptions based on the tax rolls for the current calendar year and shall  
11 be distributed directly to the city treasurer of the city of Monroe, who shall pay therefrom  
12 the statutorily dedicated deductions for retirement systems. For the purpose of distribution  
13 of the balance of the revenue sharing funds the state treasurer may use the amount listed on  
14 the prior year Ouachita Parish tax rolls which were due the Monroe City School Board.

15 Section 6. Eleven and nine-tenths percent of all revenue sharing funds distributed  
16 by the provisions of this Act, excluding such funds as are distributed directly to the city of  
17 New Orleans and the amount listed on the prior year Ouachita Parish tax rolls which were

31 the system bears to the total statutory deductions provided by law for all such retirement

1 systems. For the purpose of distributing these retirement contributions, the state treasurer  
 2 may use the statutory deductions determined by the Public Retirement Systems Actuarial  
 3 Committee as per R.S. 11:103 for the previous calendar year.

4 B. The city of New Orleans shall make the deductions legally established for  
 5 retirement systems which were eligible for payment pursuant to Act 153 of the 1973 Regular  
 6 Session and shall make due payment in accordance with the statutory deductions provided  
 7 by law for all such retirement systems. Notwithstanding the above provisions the city of

3           Constitution of 1921 or any other constitutional or statutory authority for the issuance of  
4           general obligation bonds shall share in the proceeds of this Act and the governing authority  
5           of the issuing political subdivision shall levy and collect or cause to be levied and collected  
6           on all taxable property in the political subdivision ad valorem taxes sufficient to pay  
7           principal and interest and redemption premiums, if any, on such bonds as they mature; the

8 salaries or benefits to those school board employees to the same level or amount as were  
9 paid prior to the recent reductions or decreases in such salaries or benefits; however, if the

Section 13. The state treasurer shall distribute one-third of the total amount herein allocated to the parishes from the revenue sharing fund to the parish tax collector, or in Orleans Parish to the city of New Orleans, not later than the first day of December in each year, one-third thereof not later than the fifteenth day of March in each year and one-third thereof not later than the fifteenth day of May in each year, and each one-third of the total allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10 of this Act; however, the legislative auditor may authorize the granting of additional sums due any recipient in advance upon a showing that the advance receipt of such funds is reasonably necessary. If the state treasurer does not distribute the fund on or before the dates specified in this Act, any interest or other income derived by the state from the parish

1 allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis  
2 together with the principal amounts due the parishes under the provisions of this Act. Any  
3 interest or other income derived by the parish tax collector or the city of New Orleans from  
4 the investment or other use of such total parish allocations received from the state treasurer,  
5 earned prior to the distributions within the parish as required by the foregoing provisions of  
6 this Act, shall be paid over a pro rata basis together with the principal amounts due the local  
7 recipients under the provisions of this Act upon distribution thereto, and the parish tax  
8 collectors or the city of New Orleans may retain only investment income earned on that  
9 portion of the total parish allocation to which they are otherwise entitled under the provisions  
10 of this Act. In light of the fact that all assessment roll figures will not be available in time  
11 to base the December distribution by the treasurer on current figures, the distribution of  
12 funds on the first day of December pursuant to this Act shall be based on the distribution  
13 figures for Fiscal Year 2025-2026. The remaining two distributions on the fifteenth day of  
14 March and the fifteenth day of May shall be based on current figures for Fiscal Year  
15 2026-2027, and such distributions shall be adjusted to compensate for the differences  
16 resulting in the use of the Fiscal Year 2025-2026 figures for the December distribution.

17 Section 14. On or before such date as shall be established by the state treasurer, each  
18 tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually  
19 shall file with the state treasurer, on such forms as the state treasurer may require, all  
20 information necessary to the computation of the funds to be distributed within the parishes,  
21 including, but not limited to, a listing of all such local entities seeking eligibility for funds  
22 as a tax recipient body under the qualifications set out in Section 1(A) of this Act, all new  
23 millages of such tax recipient bodies as are listed in Section 9(B) of this Act, and all  
24 remaining authorities on the tax rolls which are otherwise ineligible to participate in the  
25 distribution of revenue sharing funds as tax recipient bodies. The listing shall include such  
26 verification for eligibility as may be required by the state treasurer and, notwithstanding the  
27 provisions of Section 12 of this Act, no revenue sharing funds shall be distributed prior to  
28 receipt and acceptance by the state treasurer of such information and verification. The same  
29 authorities shall in the same manner submit to the state treasurer a statement of the amount  
30 of revenue sharing funds distributed to each recipient of such funds, including the amount  
31 deducted for sheriffs' commissions and for retirement system contributions and shall state

1 clearly on such forms the amount of the distribution to each such recipient which is derived  
 2 from excess funds and the amount of such distribution which represents reimbursement for  
 3 tax losses by reasons of the homestead exemption. Such statement shall also include the  
 4 amount of any revenue sharing funds which remain to be distributed and the recipients to  
 5 which such remaining funds will be distributed.

6 Section 15. The state treasurer is hereby authorized and directed to make any  
 7 correction due to an error in the formula within this Act as are necessary and shall submit  
 8 any such adjustment to the Joint Legislative Committee on the Budget for approval. Any  
 9 such adjustment shall not cause the total amount of the appropriation under this Act to  
 10 exceed ninety million dollars.
