2026 Regular Session

Robby Carter

CIVIL/PROCEDURE: Provides relative to requests for admissions

Synopsis of Senate Amendments

1. Specifies that, following submission of the Rule 10.1 Conference, a request for admission be deemed admitted only upon order of the court.

Digest of Bill as Finally Passed by Senate

Present law (C.C.P. Art. 1467(A)) provides that for requests for admissions, the matter is deemed admitted unless within 30 days after service of the request, the party to whom the request is directed serves upon the party requesting the admission a written answer or objection addressed to the matter.

Proposed law repeals present law and requires that, except for default judgments, a Rule 10.1 conference under the Rules for La. District Courts be held before the court orders that a request for admission is deemed admitted.

(Amends C.C.P. Art. 1467(A); Adds C.C.P. Art. 1467(C))
