

RÉSUMÉ DIGEST

HR 358

2026 Regular Session

Phelps

Urges and requests that the Dept. of Transportation and Development (DOTD) engage in communication with the referenced railroad companies to address abandoned and blighted railroads and associated structures in the listed Northwestern La. parishes. Requires the DOTD submit a written report detailing discussions and the intent of railroads regarding resolving railroad concerns to the House transportation committee before Jan. 1, 2027.
