3 medroxyprogesterone acetate to or voluntary castration of sex offenders; to provide
4 penalties for noncompliance; and to provide for related matters.

5 Be it enacted by the Legislature of Louisiana:

6 Section 1. R.S. 14:43.6 is hereby enacted to read as follows:

15 **(MPA), according to a schedule of administration monitored by the Department**
16 **of Public Safety and Corrections.**

17 **B.(1) Notwithstanding any other provision of law to the contrary, upon**

1 conviction, as a second offender, of one or more of the sexual offenses defined
2 in R.S. 14:42, 43.1, 43.2, 43.3, 45, 78, 81, 81.1, 81.2, 89.1, or 403; or any provision
3 of Subpart C of Part II, Subpart B of Part IV, or Subpart A(1) or A(4) of Part
4 V, of Chapter 1 of Title 14 of the Louisiana Revised Statutes of 1950, the court
5 shall sentence the offender to be treated with medroxyprogesterone acetate
6 (MPA) according to a schedule of administration monitored by the Department
7 of Public Safety and Corrections.

8 (2) If the court sentences a defendant to be treated with
9 medroxyprogesterone acetate (MPA), this treatment may not be imposed in lieu
10 of, or reduce, any other penalty prescribed by law. However, in lieu of
11 treatment with medroxyprogesterone acetate (MPA), the court may order the
12 defendant to undergo physical castration provided the defendant file a written
13 motion with the court stating that he intelligently and knowingly, gives his
14 voluntary consent to physical castration as an alternative to the treatment.

15 C.(1) An order of the court sentencing a defendant to
16 medroxyprogesterone acetate (MPA) treatment under this Section, shall be
17 contingent upon a determination by a court appointed medical expert, that the
18 defendant is an appropriate candidate for treatment. This determination shall
19 be made not later than sixty days from the imposition of sentence. An order of
20 the court sentencing a defendant to medroxyprogesterone acetate (MPA)
21 treatment shall specify the duration of treatment for a specific term of years, or
22 in the discretion of the court, up to the life of the defendant.

23 (2) In all cases involving defendants sentenced to a period of
24 incarceration or confinement in an institution, the administration of treatment
25 with medroxyprogesterone acetate (MPA) shall commence not later than one
26 week prior to the defendant's release from prison or such institution.

27 (3) The Department of Public Safety and Corrections shall provide the
28 services necessary to administer medroxyprogesterone acetate (MPA)
29 treatment. Nothing in this Section shall be construed to require the continued

1 administration of medroxyprogesterone acetate (MPA) treatment when it is not
 2 medically appropriate.

3 (4) As used in this Section, a second offender is a person convicted of an
 4 offense for which sentence was imposed separately prior to the imposition of the
 5 sentence for the current offense and which was sentenced separately from any
 6 other conviction under this Section.

7 (5) If a defendant whom the court has sentenced to be treated with
 8 medroxyprogesterone acetate (MPA) fails to appear as required by the
 9 Department of Public Safety and Corrections for purposes of administering the
 10 medroxyprogesterone acetate (MPA) or who refuses to allow the administration
 11 of medroxyprogesterone acetate (MPA), then the defendant shall be guilty of a
 12 felony and shall be sentenced to a term of imprisonment of not less than three
 13 years nor more than five years without benefit of probation, parole, or
 14 suspension of sentence.

15 (6) If a defendant whom the court has sentenced to be treated with
 16 medroxyprogesterone acetate (MPA) or ordered to undergo physical castration
 17 takes any drug or other substance to reverse the effects of the treatment, he
 18 shall be held in contempt of court and punished accordingly.

19 Section 2. This Act shall become effective upon signature by the governor or, if not
 20 signed by the governor, upon expiration of the time for bills to become law without signature
 21 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If
 22 vetoed by the governor and subsequently approved by the legislature, this Act shall become
 23 effective on the day following such approval.
