MARRIAGE EG +\$125,000 GF EX See Note Page 1 of 1 (Constitutional Amendment) Defines marriage as the union of one man and one woman.

Table with 7 columns: EXPENDITURES, REVENUES, 2004-05, 2005-06, 2006-07, 2007-08, 2008-09, 5 YEAR TOTAL. Rows include State General Fd., Agy. Self-Gen., Stat. Deds./Other, Federal Funds, Local Funds, and Annual Total.

EXPENDITURE EXPLANATION:

According to information provided by the Department of State (DOS), the placement of this constitutional amendment on the 11/2/04 ballot and publishing amendment in the 64 official parish journals would result in an increase of expenditures by \$125,000 in FY 05. However, this estimate is based on a single constitutional amendment on a ballot and would be reduced by the proration of the costs with other local governing authorities who may have items on the ballot. The cost of placing a constitutional amendment on the ballot would be minimal to the Commissioner of Elections since funding would already be provided for a statewide election.

REVENUE EXPLANATION:

There is no anticipated direct material effect on governmental revenues as a result of this measure.
