14 "C. Notwithstanding any provision of law to the contrary and provided that
15 there are no objections raised by the federal government, noncritical off-road
16 equipment that has been issued a valid annual noncritical off-road equipment permit
17 may be issued a concurrent permit allowing the off-road vehicle to tow a two-axle
18 vehicle as long as the towed vehicle does not exceed ten thousand pounds gross
19 vehicle weight; the noncritical off-road equipment does not exceed forty-five feet in
20 length; and the combination of the off-road equipment and the towed vehicle does
21 not exceed an overall length of sixty-five feet. Counterweights are allowed to be
22 carried on the off-road equipment when carried in a functional position. The permit
23 shall be valid for up to one hundred forty-four hours and shall be issued a charge not
24 to exceed fifty dollars."
