**HOUSE COMMITTEE AMENDMENTS**

Amendments proposed by House Committee on Transportation, Highways, and Public Works to Original House Bill No. 823 by Representative Danahay

---

1    AMENDMENT NO. 1

2    On page 1, line 4, after "police" and before "form" insert "jury"

3    AMENDMENT NO. 2

4    On page 1, delete lines 15 and 16 in their entirety and insert the following:

5                    "(v) Any special service district created by a police jury form of  
6                    government and which is unable to comply with R.S. 38:2212(A)(1)(f)(ii)  
7                    without securing and expending additional funding shall be exempt from the  
8                    provisions of this Subparagraph. The special service district shall be  
9                    exempted from any expenditures for high speed Internet access, software,  
10                   personnel costs, training, or other office equipment directly relating to the  
11                   receipt of bids via high speed Internet access."

12   AMENDMENT NO. 3

13   On page 2, delete lines 8 and 9 in their entirety and insert the following:

14  
15                    "(e) Any special service district created by a police jury form of  
16                    government and which is unable to comply with R.S. 38:2212.1(B)(4)(b)  
17                    without securing and expending additional funding shall be exempt from the  
18                    provisions of this Paragraph. The special service district shall be exempted  
19                    from any expenditures for high speed Internet access, software, personnel  
20                    costs, training, or other office equipment directly relating to the receipt of  
21                    bids via high speed Internet access."
