#### PART III-A. POSTSECONDARY EDUCATION DELIVERY SYSTEM FOR

#### THE NEW ORLEANS REGION

§3241. Legislative intent; goals

A. It is the intent of the legislature that a comprehensive, integrated regional delivery system be created for the provision of postsecondary education in the New Orleans region that will:

1           (1) Provide a world class educational environment that will meet the  
2           academic needs and interests of every student, while providing each student with the  
3           support, assistance, and guidance necessary to attain his or her educational goals and  
4           aspirations.

5           (2) Ensure that students who are academically unprepared are provided the  
6           educational resources they need to have a reasonable chance for success in their  
7           academic pursuits.

8           (3) Raise the educational attainment of the population, improve the quality  
9           of life, and contribute to the economic well being of the New Orleans region.

10          (4) Make optimal use of facilities, faculties, and other academic and fiscal  
11          resources associated with the public postsecondary institutions in the region.

12          B. The legislature finds that these goals will best be accomplished through  
13          the following actions:

14               (1) The transfer of Southern University at New Orleans and the University  
15               of New Orleans from their current respective management boards to the University  
16               of Louisiana System.

17               (2) The consolidation of Southern University at New Orleans and the  
18               University of New Orleans into a newly formed university, the University of  
19               Louisiana at New Orleans, which shall contain at least two colleges with  
20               differentiated admissions criteria, academic focus, and course and program offerings.

21               (3) The establishment of a branch campus of Delgado Community College,  
22               located on the campus of the University of Louisiana at New Orleans, to provide  
23               developmental education courses, general education courses, and college transfer  
24               degree programs.

25               (4) The creation of a shared admissions and student academic and financial  
26               aid counseling center, housed on the Delgado Community College branch campus  
27               located on the University of Louisiana at New Orleans campus, that will serve both  
28               institutions and facilitate student access and the ability to seamlessly transfer from  
29               the two-year institution to the four-year institution.

1        §3242. Southern University at New Orleans; University of New Orleans; transfer  
2                    to the University of Louisiana System

3                    A.(1) Not later than August 1, 2011, the chancellor of Southern University  
4                    at New Orleans and the chancellor of the University of New Orleans shall  
5                    individually submit a letter to the president of the Southern Association for Colleges  
6                    and Schools, Commission on Colleges, stating their intent for a change in  
7                    governance from their current respective management board to the Board of  
8                    Supervisors of the University of Louisiana System.

9                    (2) The chancellor, faculty, and administration of each institution shall take  
10                    every action necessary to efficiently and expeditiously comply with all established  
11                    time lines, requirements, and procedures to ensure that the requested change of  
12                    governance may be effected immediately upon receipt of commission approval.

13                    B.(1) Pursuant to the authority granted to the legislature by Article VIII,  
14                    Section 5(D)(3) of the Constitution of Louisiana to transfer an institution from one  
15                    board to another by law enacted by two-thirds of the elected members of each house,  
16                    Southern University at New Orleans and the University of New Orleans, and the  
17                    assets, funds, obligations, liabilities, programs, and functions related individually  
18                    thereto, are hereby transferred to the University of Louisiana System, and shall be  
19                    under the management and supervision of the Board of Supervisors for the  
20                    University of Louisiana System.

21                    (2) The provisions of this Subsection shall become effective immediately  
22                    upon receipt of approval for such change in governance from the Southern  
23                    Association for Colleges and Schools, Commission on Colleges.

24        §3243. Consolidation of Southern University at New Orleans and the University of  
25                    New Orleans

26                    A. Not later than July 1, 2012, the chancellor of Southern University at New  
27                    Orleans and the chancellor of the University of New Orleans shall jointly submit a  
28                    letter to the president of the Southern Association for Colleges and Schools,  
29                    Commission on Colleges, stating their intent to consolidate and become the

1        University of Louisiana at New Orleans, under the management and supervision of  
2        the Board of Supervisors of the University of Louisiana System.

3                B. The chancellor, faculty, and administration of each institution and the  
4        Board of Supervisors of the University of Louisiana System shall take every action  
5        necessary to efficiently and expeditiously comply with all Southern Association for  
6        Colleges and Schools, Commission on Colleges, requirements and procedures to  
7        ensure that the requested consolidation may be effected immediately upon receipt of  
8        approval from the commission and final approval from the Board of Supervisors of  
9        the University of Louisiana System as provided by commission policy.

10               C. Immediately upon receipt of approval from the Southern Association for  
11        Colleges and Schools, Commission on Colleges, to consolidate institutions, and final  
12        approval from the Board of Supervisors for the University of Louisiana System as  
13        provided in commission policy, Southern University at New Orleans and the  
14        University of New Orleans shall cease to exist as separately accredited institutions  
15        and shall be consolidated, along with their assets, funds, obligations, liabilities,  
16        programs, and functions, into the newly created and properly accredited University  
17        of Louisiana at New Orleans.

18        §3244. University of Louisiana at New Orleans; creation; mission

19               A.(1) Pursuant to the authority granted to the legislature by Article VIII,  
20        Section 5(D)(3) of the Constitution of Louisiana to create a new of postsecondary  
21        education by law enacted by two-thirds of the elected members of each house, the  
22        University of Louisiana at New Orleans is hereby created and shall be under the  
23        management and supervision of the Board of Supervisors for the University of  
24        Louisiana System.

25               (2)(a) The university shall consist of at least two colleges with differentiated  
26        admission criteria and programs of study designed to serve the needs of all students.  
27        There shall be a research-centered college that will offer degree programs critical to  
28        the needs of the region, including graduate programs in the fields of science,

1 engineering, and technology, and a college that will primarily offer undergraduate  
2 degree programs and courses of study.

3 (b) Students shall be allowed to transfer from one college to another within  
4 the university, provided they meet the initial or transfer admissions criteria for the  
5 college in which they wish to enroll.

6 (c) The admissions criteria established for each college within the university  
7 shall not be less than the minimum admission criteria established in Board of  
8 Regents' policy for institutions of like role, scope, and mission.

9 B. The University of Louisiana at New Orleans will enter into an agreement  
10 with Delgado Community College to provide developmental education courses,  
11 general education courses, and associate transfer degrees through a branch campus  
12 located on the campus of the university.

13 C. The University of Louisiana at New Orleans and the Delgado Community  
14 College branch campus located on the university's campus shall create a shared  
15 admissions and student academic and financial aid counseling and referral center that  
16 will serve both institutions and facilitate student access and the ability to seamlessly  
17 transfer courses and enrollment from the two-year institution to the four-year  
18 institution.

19 §3245. University of Louisiana System; transition responsibilities

20 The Board of Supervisors of the University of Louisiana System shall:

21 (1) Immediately initiate a search for an academic head, create an  
22 administrative structure, and employ key administrative staff for the University of  
23 Louisiana at New Orleans.

24 (2) Assist the administrative staff of the University of the Louisiana at New  
25 Orleans to develop and implement a comprehensive academic and operational plan  
26 to facilitate the consolidation of Southern University at New Orleans and the  
27 University of New Orleans.

1           (3) Assist Southern University at New Orleans and the University of New

8           Agricultural and Mechanical College shall:

9           (1) Continue to exercise their authority to supervise and manage their  
10          respective institutions until such time as the Southern Association for Colleges and  
11          Schools, Commission on Colleges, grants approval for the requested change in  
12          governance and transfer of Southern University at New Orleans and the University  
13          of New Orleans to the University of Louisiana System.

14          (2)(a) Work cooperatively and collaboratively with the Board of Supervisors  
15          of the University of Louisiana System to ensure that the requested transfer may be  
16          effected immediately upon receipt of commission approval for the change in  
17          governance.

18          (b) Prior to receipt of such approval, enter into agreements to transfer as  
19          many administrative and supervisory functions as possible with respect to Southern  
20          University at New Orleans and the University of New Orleans to the University of  
21          Louisiana System and the University of Louisiana at New Orleans, without adversely  
22          impacting the current accreditation status of Southern University at New Orleans and  
23          the University of New Orleans.

24          (3) Upon receipt of such approval, immediately transfer all assets, funds,  
25          facilities, property, obligations, liabilities, programs, and functions relative to  
26          Southern University at New Orleans and the University of New Orleans to the  
27          University of Louisiana System.

1           B. The Board of Supervisors of Louisiana State University and Agricultural  
2           and Mechanical College and the Board of Supervisors of Southern University and  
3           Agricultural and Mechanical College shall not:

4           (1) Interfere with, or impede in any way, the processes to transfer Southern  
5           University at New Orleans and the University of New Orleans to the University of  
6           Louisiana System and for the ultimate consolidation of the two institutions into the  
7           University of Louisiana at New Orleans.

8           (2) Sell, transfer, or otherwise remove any asset or thing of value, moveable  
9           or immoveable, tangible or intangible, attributable to or owned by Southern  
10          University at New Orleans or the University of New Orleans on the effective date of  
11          this Part.

12          (3) Incur, transfer, or assign any debt or other responsibility or obligation to  
13          Southern University at New Orleans or the University of New Orleans that is not  
14          properly attributable to either institution on the effective date of this Part.

15          (4) Disproportionately reduce or reallocate the level of funding that would  
16          otherwise be allocated to Southern University at New Orleans or the University of  
17          New Orleans pursuant to the postsecondary education funding formula.

18          §3247. Louisiana Community and Technical College System; responsibilities

19               The Board of Supervisors for Community and Technical Colleges shall:

20              (1) Work cooperatively and collaboratively with the Board of Regents and  
21              the Board of Supervisors for the University of Louisiana System to establish a  
22              branch campus of Delgado Community College, located on the campus of the  
23              University of Louisiana at New Orleans, to provide developmental education  
24              courses, general education courses, and college transfer degree programs.

25              (2) Secure all necessary approval from the Board of Regents and the  
26              Southern Association of Colleges and Schools, Commission on Colleges, to establish  
27              and attain the proper accreditation status for such branch campus.

1           (3) Enter into an agreement with the University of Louisiana at New Orleans  
2           to establish and operate a shared admissions and student academic and financial aid  
3           counseling and referral center that will serve students enrolled in both institutions.

4           §3248. Board of Regents; transition responsibilities

5           The Board of Regents shall:

6           (1) Provide oversight, guidance, and support to all postsecondary  
7           management boards, systems, and institutions throughout the processes to transfer  
8           Southern University at New Orleans and the University of New Orleans to the  
9           University of Louisiana System and the ultimate consolidation of these two  
10          institutions into the University of Louisiana at New Orleans.

11          (2) Provide oversight, guidance, and support in the establishment of a branch  
12          campus of Delgado Community College to be located on the campus of the  
13          University of Louisiana at New Orleans.

14          §3249. Students; continuation of enrollment; courses of study; diplomas

15          A. Every student enrolled in, and in good standing with, Southern University  
16          at New Orleans or the University of New Orleans at the time of the transfer of these  
17          institutions to the University of Louisiana System and the time consolidation of these  
18          institutions into the University of Louisiana at New Orleans, shall be allowed to  
19          continue their enrollment and complete their prescribed course of study, provided  
20          they remain in good standing with the institution in which they are enrolled.

21          B. Students who complete their degree requirements and graduate prior to  
22          the consolidation of Southern University at New Orleans and the University of New  
23          Orleans shall receive a diploma awarded by and in the name of the institution from  
24          which they graduate. Students who complete their degree requirements and graduate  
25          subsequent to the consolidation of the two institutions shall receive a diploma  
26          awarded by and in the name of the University of Louisiana at New Orleans.

27          §3250. New Orleans Postsecondary Education Advisory Committee

28          A. The Board of Supervisors for the University of Louisiana System shall  
29          appoint an advisory committee to provide advice and input relative to the creation

1 of a comprehensive postsecondary education delivery system for the New Orleans  
2 region pursuant to this Part.

3 B. The committee shall meet only as directed by the Board of Supervisors  
4 for the University of Louisiana System and shall have no power or authority other  
5 than to serve in an advisory capacity as established by the board.

6 C. The committee shall be composed of representatives of Southern  
7 University at New Orleans, the University of New Orleans, the Louisiana State  
8 University System and the Southern University System, the mayor of New Orleans

HB No. 537

**Abstract:** Provides for merger of SUNO and UNO.

Proposed law provides for the creation of a comprehensive, integrated postsecondary education delivery system for the New Orleans region.

States legislative intent that such postsecondary education delivery system will:

- (1) Provide a world class educational environment that will meet the academic needs and interests of every student, while providing each student with the support, assistance, and guidance necessary to attain his or her educational goals and aspirations.
- (2) Ensure that academically unprepared students receive the educational resources they need to succeed academically.
- (3) Raise the educational attainment of the population, improve the quality of life, and contribute to the economic well being of the New Orleans region.
- (4) Make optimal use of facilities, faculties, and other academic and fiscal resources associated with the public postsecondary institutions in the region.

States legislative finding that these goals shall be best accomplished through:

- (1) The transfer of Southern University at New Orleans (SUNO) and the University of New Orleans (UNO) from their current respective management boards to the University of Louisiana System.
- (2) The consolidation of SUNO and UNO into a newly formed university, the University of Louisiana at New Orleans (ULNO), which shall contain at least two colleges with differentiated admissions criteria, academic focus, and course and program offerings.
- (3) The establishment of a branch campus of Delgado Community College (Delgado), located on the ULNO campus to provide developmental education courses, general education courses, and college transfer degree programs.
- (4) The creation of a shared admissions and student academic and financial aid counseling center, housed on the Delgado branch campus on the ULNO campus, that will serve both institutions and facilitate student access and transfer from the two-year to the four-year institution.

Provides relative to the transfer of SUNO and UNO to the UL System as follows:

- (1) Requires the chancellors of SUNO and UNO to submit a letter to the president of the Southern Association for Colleges and Schools, Commission on Colleges (SACS), not later than Aug. 1, 2011, stating their intent for a change in governance from their current management board to the Board of Supervisors of the UL System.

- (2) Requires the chancellor, faculty, and administration of both institutions to take every action necessary to efficiently and expeditiously comply with all SACS timelines, requirements, and procedures to ensure that the requested change of governance may be effected immediately upon receipt of commission approval.
- (3) Transfers SUNO and UNO to the UL System, pursuant to the authority granted to the legislature by the La. constitution to transfer an institution from one board to another by law enacted by two-thirds of the elected members of each house. Also transfers the assets, funds, obligations, liabilities, programs, and functions related to each school. Provides that such transfer will become effective immediately upon receipt of SACS approval for the change in governance.

Provides for the consolidation of SUNO and UNO as follows:

- (1) Requires the chancellors of SUNO and UNO to jointly submit a letter to the SACS president, not later than July 1, 2012, stating their intent to consolidate and become the University of Louisiana at New Orleans, under the management and supervision of the UL System board.
- (2) Requires the chancellor, faculty, and administration of each institution and the UL System board to take every action necessary to efficiently and expeditiously comply with all SACS requirements and procedures to ensure that the requested consolidation may be effected immediately upon receipt of approval from the commission and final approval from the UL System board.
- (3) Provides that SUNO and UNO will cease to exist as separately accredited institutions and will be consolidated, along with their assets, funds, obligations, liabilities, programs, and functions, into the newly created and properly accredited University of Louisiana at New Orleans immediately upon receipt of SACS approval and final approval from the UL System board.

Creates the University of Louisiana at New Orleans (ULNO) as follows:

- (1) Creates the University of Louisiana at New Orleans under the management and supervision of the UL System board, pursuant to the authority granted to the legislature by the La. constitution to create a new public institution of postsecondary education by law enacted by 2/3 of the elected members of each house.
- (2) Provides that ULNO will consist of at least two colleges with differentiated admission criteria and programs of study designed to serve the needs of all students. Provides that there will be a research-centered college that will offer degree programs that are critical to the needs of the region, including graduate programs in the fields of science, engineering, and technology, and a college that will primarily offer undergraduate degree programs and courses of study.
- (3) Requires that the admissions criteria established for each college within the university shall not be less than the minimum admission criteria established in Board of Regents' policy for institutions of like role, scope, and mission.
- (4) Requires ULNO to enter into an agreement with Delgado for the provision of developmental education courses, general education courses, and associate transfer degrees through a branch campus located on the ULNO campus.
- (5) Requires ULNO and Delgado to create a shared admissions and student counseling and referral center that will serve both institutions and facilitate student access and the ability to transfer courses and enrollment from the two-year to the four-year institution.

Provides for the responsibilities for the UL System and requires the UL System board to:

- (1) Immediately initiate a search for an academic head, create an administrative structure, and employ key administrative staff for ULNO.
- (2) Assist the administrative staff of ULNO to develop and implement a comprehensive academic and operational plan to facilitate the consolidation of SUNO and UNO.
- (3) Assist SUNO and UNO to prepare and submit their joint prospectus for consolidation to SACS.

Provides for the responsibilities of the LSU and SU System boards. Requires the boards to:

- (1) Continue to exercise their authority to supervise and manage their respective institutions until such time as SACS grants approval for the requested change in governance and transfer of SUNO and UNO to the UL System.
- (2) Work cooperatively and collaboratively with the UL System board to ensure that the transfer may be effected immediately upon receipt of SACS approval.
- (3) Enter into agreements to transfer as many SUNO and UNO administrative and supervisory functions as possible to the UL System and ULNO, prior to receipt of SACS approval, without adversely impacting the current accreditation status of SUNO and UNO.
- (4) Immediately transfer all assets, funds, facilities, property, obligations, liabilities, programs, and functions relative to SUNO and UNO to the UL System, upon receipt of SACS approval for the transfer.

Provides that the LSU and SU system boards shall not:

- (1) Interfere with or impede the processes to transfer SUNO and UNO to the UL System and for the ultimate consolidation of the two institutions into ULNO.
- (2) Sell, transfer, or otherwise remove any asset or thing of value, moveable or immovable, tangible or intangible, attributable to or owned by SUNO or UNO on the effective date of proposed law.
- (3) Incur, transfer, or assign any debt or other responsibility or obligation to SUNO or UNO that is not properly attributable to either institution on the effective date of proposed law.
- (4) Disproportionately reduce or reallocate the level of funding that would otherwise be allocated to SUNO or UNO.

Provides for the responsibilities of the La. Community and Technical College System (LCTCS) and requires the LCTCS board to:

- (1) Work cooperatively and collaboratively with the Board of Regents (BOR) and the UL System board to establish a branch campus of Delgado on the ULNO campus to provide developmental education courses, general education courses, and college transfer degree programs.
- (2) Secure all necessary approval from the BOR and SACS to establish and attain the proper accreditation status for such branch campus.

- (3) Enter into an agreement with ULNO to establish and operate a shared admissions and student academic and financial aid counseling and referral center that will serve students enrolled in both institutions.

Provides for the responsibilities of the Board of Regents and requires the board to:

- (1) Provide oversight, guidance, and support to all postsecondary management boards, systems, and institutions throughout the processes to transfer SUNO and UNO to the UL System and the ultimate consolidation of these two institutions into the University of Louisiana at New Orleans.
- (2) Provide oversight, guidance, and support in the establishment of a branch campus of Delgado on the ULNO campus.

Provides with respect to students enrolled in SUNO and UNO at the time of transfer to the UL System and at the time of consolidation of the two institutions into the University of Louisiana at New Orleans as follows:

- (1) Specifies that every student enrolled in, and in good standing with, SUNO or UNO at the time of the institutions' transfer to the UL System and at the time these institutions are consolidated into the University of Louisiana at New Orleans, be allowed to continue their enrollment and complete their prescribed course of study, provided they remain in good standing with the institution in which they are enrolled.
- (2) Specifies that students who complete their degree requirements and graduate prior to the consolidation of SUNO and UNO shall receive a diploma awarded by and in the name of the institution from which they graduate.
- (3) Specifies that students who complete their degree requirements and graduate subsequent to the consolidation of the two institutions shall receive a diploma awarded by and in the name of the University of Louisiana at New Orleans.

Provides for the creation of the New Orleans Postsecondary Education Advisory Committee as follows:

- (1) Requires the UL System board to appoint an advisory committee to provide advice and input relative to the creation of a comprehensive postsecondary education delivery system for the New Orleans region pursuant to proposed law.
- (2) Specifies that the committee shall meet only as directed by the UL System board and will have no power or authority other than to serve in an advisory capacity as established by the board.
