**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The proposed legislation codifies membership of the task force and what constitutes a quorum. In addition, the legislation reduces the number of meetings that are required from quarterly to annually by the task force.

The repealed sections of Act 446 of the 2001 Regular Legislative Session and Act 49 of the 2003 Regular Session of the Legislature provided for membership of the task force, the duties of the task force and that the task force shall meet at least once per quarter. Although these sections passed the Legislature and signed by the Governor, they were never placed in the Revised Statutes.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
