HB No. 327

Abstract: Requires a 10% reduction in the total dollar amount for professional, personal, and consulting service contracts under the jurisdiction of the office of contractual review for FY 2012-2013.

Proposed law requires a 10% reduction in the total dollar amount for professional, personal, and consulting service contracts under the jurisdiction of the office of contractual review for FY 2012-2013.

Proposed law requires the office of contractual review to submit reports on the status of the implementation of proposed law to the Joint Legislative Committee on the Budget on Oct. 1, 2012, Jan. 1, 2013, April 1, 2013, and July 1, 2013.

Proposed law prohibits the office of contractual review from approving any contract if such approval would increase the total dollar amount of contracts above the reduction required in proposed law, unless such contract meets all of the following criteria:

- (1) Either no employee of the contracting department or agency is both competent and available to perform the services called for by the proposed contract or the services called for are not the type readily susceptible to being performed by persons who are employed by the state on a continuing basis.
- (2) The services are not available as a product of a prior or existing contract.
- (3) The contracting department or agency has submitted to the office of contractual review a written plan to monitor and evaluate the performance called for in the proposed contract.
- (4) It is more cost effective to obtain the proposed services through the contract than to have the services provided by the contracting department or agency if the department or agency can provide the services or by agreement with another state department or agency.
- (5) The commissioner of administration determines that the proposed contract represents a priority expenditure for La. state government.

Effective July 1, 2012.
