

Regular Session, 2012

HOUSE CONCURRENT RESOLUTION NO. 100

BY REPRESENTATIVE ORTEGO

A CONCURRENT RESOLUTION

To urge and request the re-creation of the Complete Streets Work Group created by Senate Concurrent Resolution No. 110 of the 2009 Regular Session of the Legislature.

WHEREAS, Senate Concurrent Resolution No. 110 of the 2009 Regular Session of the Legislature urged and requested the formation of a Complete Streets Work Group in the Department of Transportation and Development; and

WHEREAS, Complete Streets is the practice of designing and constructing streets and roads to meet the needs of bicyclists, pedestrians, transit riders, and drivers; and

WHEREAS, Complete Streets promotes the walkability and bicycle friendliness of communities through principles such as context-sensitive design, mobility-friendly design, mixed-use, and infill developments; and

WHEREAS, the Complete Streets Work Group completed it's task of developing a statewide policy on the design and construction of thoroughfares that maximizes use by all Louisianians whether they chose to bike, walk, ride transit, or drive a car; and

WHEREAS, Senate Concurrent Resolution No. 110 of the 2009 Regular Session of the Legislature put forth the goals of the Complete Streets guidelines the work group was to accomplish as follows:

- (1) The development of model design guidelines for suburban, rural, and urban contexts;
- (2) The application of such guidelines to both new and reconstruction projects;
- (3) A determination of what components of guideline implementation require administrative and legislative changes;
- (4) The development of any necessary legislation for the 2010 legislative session;
- (5) The coordination of Complete Streets guidelines with metropolitan planning organizations;

(6) The balancing of costs with benefits;

(7) A prioritization of interventions to connect bike and pedestrian networks throughout the state;

(8) Building on the Department of Transportation and Development's draft revised bike and pedestrian plan;

(9) The development of model urban street design guidelines and model local ordinances; and

WHEREAS, the Complete Streets Work Group has largely completed the goals as set forth in Senate Concurrent Resolution No. 110 of the 2009 Regular Session of the Legislature and no longer convenes; and

WHEREAS, regular walking and bicycling improve physical health, increase mental well-being, and help reduce the risk of cardiovascular disease, type 2 diabetes, some cancers and other chronic diseases; and

WHEREAS, increased physical activity is critical to combating the obesity crisis in Louisiana where sixty-four percent of adults and over one-third (thirty-six percent) of children are obese or overweight; and

WHEREAS, in 2011, one hundred five pedestrians and bicyclists were killed, and in that same year over seventy thousand people were injured on Louisiana roads and highways; and

WHEREAS, the implementation of Complete Streets concepts and the construction of streets and roads in a manner that best serve the needs of bicyclists, pedestrians, transit riders, and driver's are issues that call for on-going and continuous discussion and study.

THEREFORE, BE IT RESOLVED that the Complete Streets Work Group shall be recreated and shall continue to be convened by the secretary of the Department of Transportation and Development to further study and implement any necessary changes to the Complete Streets guidelines and the issues set forth in Senate Concurrent Resolution No. 110 of the 2009 Regular Session of the Legislature;

BE IT FURTHER RESOLVED that the Complete Streets Work Group additionally shall study the progress of Complete Streets project implementation in Louisiana.

BE IT FURTHER RESOLVED that the Complete Streets Work Group shall be convened by the secretary of the Department of Transportation and Development and shall carry out the charges contained herein.

BE IT FURTHER RESOLVED that the work group members shall include a representative appointed by each of the following organizations:
