HB No. 148

Abstract: Changes time periods in which a person applying for motorcycle insurance must provide proof of appropriate motorcycle license endorsements to insurer.

Present law requires that any person who makes application to an insurer for a policy of insurance that will cover a motorcycle to provide proof of the appropriate motorcycle license endorsements at the time of the application.

Present law prohibits an insurer from issuing a policy of motorcycle insurance to any person who does not provide proof of the license endorsement required by present law.

Present law also provides that, in the event of an initial application for a policy of insurance that will cover a motorcycle, the insurer may allow the applicant 30 days to provide proof of the appropriate motorcycle license endorsements.

Proposed law changes present law by requiring that any person who makes application to an insurer for a policy of insurance that will cover a motorcycle to provide proof of the appropriate motorcycle license endorsements within 90 days of application submittal.

Proposed law changes present law by requiring an applicant making initial application for a policy of motorcycle insurance to submit proof of the appropriate motorcycle license endorsement to the insurer within 90 days of application submittal instead of 30 days.

Proposed law deletes the provision of present law prohibiting an insurer from issuing a policy of motorcycle insurance to any person who does not provide proof of the appropriate motorcycle license endorsements at the time of submittal.

(Amends R.S. 22:1283 and R.S. 32:863.3)
