EXPENDITURE EXPLANATION

This measure may increase local governmental expenditures to \$319,000 by fiscal year 2016-17.

According to an official with the Louisiana Clerks of Court Association, this measure may increase the base salary and certification pay for each of the 65 district court clerks if they obtain certification and maintain the certification. Not all 65 clerks currently are certified and not all clerks are compensated at the full amount allowed by law. However, the above figures are the maximum estimate, assuming all clerks become certified and keep their certification.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this bill.
