Abstract: Defines pharmacy-generated drug; requires a person filling, compounding, and dispensing prescriptions or making pharmacy-generated drugs to be a pharmacist or pharmacy intern, pharmacy technician, or pharmacy technician candidate acting under the supervision of a pharmacist.

Proposed law defines "pharmacy-generated drug" as a drug made by a pharmacy.

Present law requires a pharmacist to be on duty in each pharmacy at all times.

Proposed law retains present law.

Present law requires the filling, compounding, and dispensing of prescriptions to be limited to pharmacists and pharmacy technicians acting under the supervision of a pharmacist.

Proposed law requires the filling, compounding, and dispensing of prescriptions, and the making of pharmacy-generated drugs, to be accomplished in compliance with standards established by the La. Board of Pharmacy by administrative rule. Proposed law further requires the performance of these activities to be limited to pharmacists and pharmacy interns, pharmacy technicians, and pharmacy technician candidates acting under the supervision of a pharmacist.
