
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Ann S. Brown.

DIGEST

Present law authorizes the board to include or designate as a separate subdistrict certain properties of the BioDistrict in New Orleans.

Proposed law retains present law and further authorizes the board to exclude or reduce certain properties of the district.

Proposed law authorizes the creation of economic development projects within the original boundaries of the downtown development district and the BioDistrict in New Orleans.

Effective August 1, 2013.
