DIGEST

Martiny (SB 114)

Present law authorizes any parish coroner or judge of a court of competent jurisdiction to order a person to be taken into protective custody and transported to a treatment facility or to the office of the coroner for immediate examination when a peace officer or other credible person executes a statement under private signature specifying that, to the best of his knowledge and belief and personal observations, the person is mentally ill or suffering from substance abuse and is in need of immediate treatment to protect the person or others from physical harm.

Proposed law retains present law and further authorizes the statement to be made by video conferencing in Jefferson Parish. Provides that if the statement meets the affiant's approval, the affiant sign the statement which shall be witnessed on video and by a peace officer and immediately faxed to the coroner's office. Requires the original signed form to be sent to the coroner's office.

Effective Aug. 1, 2013.
