20                (17) "Off-road vehicle" is any vehicle manufactured for off road use which  
21                is issued a manufacturer's statement of origin that cannot be issued a registration  
22                certificate and license to operate on the public roads of this state because at the time  
23                of manufacture the vehicle does not meet the safety requirements prescribed by R.S.  
24                32:1301 through ~~R.S. 32:1310~~. This includes vehicles that are issued a title only by  
25                the ~~Vehicle Registration Bureau~~, Department of Public Safety and Corrections,  
26                public safety services, such as all terrain vehicles and recreational and sport vehicles,  
27                but it does not include off road vehicles used for farm purposes, farm equipment, or  
28                heavy construction equipment.
