11 **B. As used in this Section, the following words, terms, and phrases have**
12 **the meaning ascribed to them unless a different meaning is clearly indicated in**
13 **the context:**

11 such term in Section 45D of the Internal Revenue Code of 1986, as amended;

14 Fund of the U.S. Treasury Department with respect to credits authorized by
15 Section 45D of the Internal Revenue Code of 1986, as amended, which includes
16 the state of Louisiana within the service area set forth in the allocation

18 that are controlled by or under common control with the qualified community
19 development.

20 (7) "Qualified equity investment" means any equity investment in a
21 qualified community development entity that meets each of the following

9 counted towards satisfaction of Subparagraph (7)(b) of this Subsection is ten
10 million dollars whether issued by one or several qualified community
11 development entities. Any amounts returned or repaid by the qualified active
12 low-income community business to a qualified community development entity

15 million dollar limit as set forth in this Paragraph.

16 (9) "State premium tax liability" means any liability incurred by any
17 entity under the provisions of R.S. 22:831, 836, 838 and 842 or, if the tax

29 such credit allowance date multiplied by the purchase price paid to the issuer

1 **of the qualified equity investment.**

2 **(2) The amount of the credit claimed by an entity shall not exceed the**
3 **amount of the entity's state premium tax liability for the tax year for which the**
4 **credit is claimed. Any amount of tax credit that the entity is prohibited from**
5 **claiming in a taxable year as a result of this Paragraph may be carried forward**
6 **for use in future taxable years for a period not to exceed ten years.**

7 **D.(1) Tax credits earned by a partnership, limited liability company, S-**
8 **corporation, or other pass through entity may be allocated to the partners,**
9 **members, or shareholders of the entity for their direct use in accordance with**
10 **the provisions of any agreement among the partners, members, or shareholders.**

22 **(b) Failure to comply with this Paragraph shall result in the**
23 **disallowance of the tax credit until the taxpayers are in full compliance.**

24 **(c) The transfer or sale of this credit does not extend the time in which**

26 **or sold begins on the date on which the credit was originally earned.**

27 **(d) To the extent that the transferor did not have rights to claim or use**
28 **the credit at the time of the transfer, the department shall either disallow the**
29 **credit claimed by the transferee or recapture the credit from the transferee.**

17 **the qualified equity investment.**

18 **(e) Identifying information for any entity that will earn tax credits as a**
19 **result of the issuance of the qualified equity investment.**

20 **(2) Within thirty days after receipt of a completed application**
21 **containing the information set forth in Paragraph (1) of this Subsection,**
22 **including the deposit as required in Subsection H of this Section, the**
23 **department shall grant or deny the application in full or in part. If the**
24 **department denies any part of the application, it shall inform the qualified**
25 **community development entity of the grounds for the denial. If the qualified**
26 **community development entity provides additional information required by the**
27 **department or otherwise completes its application within fifteen days of the**
28 **notice of denial, the application shall be considered completed as of the original**
29 **date of the submission. If the qualified community development entity fails to**

1 provide the information or complete its application within the fifteen day
2 period, the application remains denied and must be resubmitted in full with a
3 new submission date, and the department shall refund the performance deposit.

4 (3) If the application is granted, the department shall certify the
5 proposed equity investment as a qualified equity investment that is eligible for
6 tax credits under this Section, subject to the limitations contained in Paragraph
7 (5) of this Subsection. The department shall provide written notice of the
8 certification to the qualified community development entity. The notice shall
9 include the names of those entities who will earn the credits and their respective
10 credit amounts. If the names of the entities that are eligible to utilize the credits
11 change due to a transfer of a qualified equity investment or an allocation
12 pursuant to Paragraph (D)(1), the qualified community development entity shall
13 notify the department of the change.

14 (4) The department shall certify qualified equity investments in the
15 order in which applications are received by the department. Applications
16 received on the same day shall be deemed to have been received simultaneously.
17 For applications that are complete and received on the same day, the
18 department shall certify, consistent with remaining qualified equity investment
19 capacity, the qualified equity investments in proportionate percentages based
20 upon the ratio of the amount of qualified equity investment requested in an
21 application to the total amount of qualified equity investments requested in all
22 applications received on the same day.

23 (5) A total of one hundred twenty-five million dollars of qualified equity
24 investment authority shall be available for certification and allocation. The
25 department shall accept applications beginning on November 1, 2013, for
26 allocation and certification of up to sixty-two million five hundred thousand
27 dollars of qualified equity investments. The department shall accept
28 applications for the remaining sixty-two million five hundred thousand dollars
29 of such authority beginning on November 1, 2014. If a pending request cannot

1 be fully certified due to these limits of qualified equity investment authority, the
2 department shall certify the portion of qualified equity investment authority
3 that may be certified unless the qualified community development entity elects
4 to withdraw its request rather than receive partial certification.

5 (6) An approved applicant may transfer all or a portion of its certified
6 qualified equity investment authority to its controlling entity or any qualified
7 community development entity that is controlled by or under common control
8 with the applicant, provided that the applicant provides the information
9 required in the application with respect to such transferee and the applicant
10 notifies the department of such transfer with the notice of receipt of the cash
11 investment set forth in Paragraph (7) of this Subsection.

12 (7) Within thirty days of the applicant receiving certification of qualified
13 equity investment authority, the qualified community development entity or any
14 transferee under Paragraph (6) of this Subsection shall issue the qualified
15 equity investment, receive cash in the amount of the certified amount and
16 designate an amount equal to the certified amount as a federal qualified equity
17 investment with the Community Development Financial Institutions Fund. The
18 qualified community development entity or transferee under Paragraph (6) of
19 this Subsection shall provide the department with evidence of the receipt of the
20 cash investment and designation of the qualified equity investment as a federal
21 qualified equity investment within five business days after receipt. If the
22 qualified community development entity or any transferee pursuant to
23 Paragraph (6) of this Subsection does not receive the cash investment within
24 thirty days following receipt of the certification notice, the certification shall
25 lapse and the entity may not issue the qualified equity investment without
26 reapplying to the department for certification. Lapsed certifications revert
27 back to the department and shall be reissued, first, pro rata to other applicants
28 whose qualified equity investment allocations were reduced pursuant to
29 Paragraph (4) of this Subsection and, thereafter, in accordance with the

1 application process.

2 F. The department shall recapture, from the entity that claimed the
3 credit on a return, the tax credit allowed pursuant to this Section if either of the
4 following occur:

5 (1) Any amount of a federal tax credit available with respect to a
6 qualified equity investment that is eligible for a credit under this Section is
7 recaptured under Section 45D of the Internal Revenue Code of 1986, as
8 amended. In this case, the department's recapture shall be proportionate to the
9 federal recapture with respect to the qualified equity investment.

10 (2) The issuer fails to invest an amount equal to one hundred percent of
11 the purchase price of the qualified equity investment in qualified low-income
12 community investments in Louisiana within twelve months of the issuance of the
13 qualified equity investment and maintain such level of investment in qualified
14 low-income community investments in Louisiana until the last credit allowance
15 date for the qualified equity investment. For purposes of this Section, an
16 investment shall be considered held by an issuer even if the investment has been
17 sold or repaid if the issuer reinvests an amount equal to the capital returned to
18 or recovered by the issuer from the original investment, exclusive of any profits
19 realized, in another qualified low-income community investment within twelve
20 months of the receipt of the capital. Periodic amounts received during a
21 calendar year as repayment of principal on a loan that is a qualified low-income
22 community investment shall be treated as continuously invested in a qualified
23 low-income community investment if the amounts are reinvested in another
24 qualified low-income community investment by the end of the following
25 calendar year as set forth in 26 CFR Sec. 1.45D-1. An issuer shall not be
26 required to reinvest capital returned from qualified low-income community
27 investments after the sixth anniversary of the issuance of the qualified equity
28 investment, the proceeds of which were used to make the qualified low-income
29 community investment, and the qualified low-income community investment

1 shall be considered held by the issuer through the seventh anniversary of the
2 qualified equity investment's issuance.

3 G. Enforcement of the recapture provisions of Subsection F of this
4 Section shall be subject to a six month cure period. No recapture shall occur
5 until the qualified community development entity has been given notice of
6 noncompliance by the department and afforded six months from the date of
7 such notice to cure the noncompliance.

8 H.(1) A qualified community development entity that seeks to have an
9 equity investment designated as a qualified equity investment and eligible for
10 tax credits pursuant to this Section shall pay a deposit in the amount of five
11 hundred thousand dollars to the department for deposit in the New Markets
12 performance guarantee account, which is hereby established. The entity shall
13 forfeit the deposit in its entirety if either:

14 (a) The qualified community development entity and all transferees
15 pursuant to Paragraph (E)(6) of this Section fail to issue the total amount of
16 qualified equity investments certified by the department and receive cash in the
17 total amount certified under Paragraph (E)(5) of this Section within the time
18 period set forth in Paragraph (E)(7) of this Section.

19 (b) The qualified community development entity or any transferee
20 pursuant to Paragraph (E)(6) of this Section that issues a qualified equity
21 investment certified pursuant to this Section fails to meet the investment
22 requirement under Paragraph (F)(2) of this Section by the second credit
23 allowance date of such benefit of the six month cure period established pursuant
24 to Subsection G of this Section.

25 (2) The deposit required by Paragraph (1) of this Subsection shall be
26 deposited with the department and held in the New Markets performance
27 guarantee account until the time that compliance with the provisions of this
28 Subsection shall have been established. The qualified community development
29 entity may request a return of the deposit from the department no earlier than

1 thirty days after having met all the requirements of Paragraph (1) of this
2 Subsection. The department shall have thirty days to comply with the request
3 or give notice of noncompliance.

4 I.(1) An entity claiming a credit pursuant to this Section is not required
5 to pay any additional retaliatory tax levied by R.S. 22:836 as a result of claiming
6 that credit.

7 (2) In addition to the exclusion in Paragraph (1) of this Subsection, it is
8 the intent of this Section that an entity claiming a credit pursuant to this Section
9 is not required to pay any additional tax that may arise as a result of claiming
10 that credit.

11 J.(1) Qualified community development entities that issue qualified
12 equity investments shall submit a report to the department within the first five
13 business days after the first anniversary of the initial credit allowance date that
14 provides documentation as to the investment of one hundred percent of the
15 purchase price in qualified low-income community investments in qualified
16 active low-income community businesses located in Louisiana. The report
17 required pursuant to the Subsection shall include:

18 (a) A bank statement of the qualified community development entity
19 evidencing each qualified low-income community investment.

20 (b) Evidence that the business was a qualified active low-income
21 community business at the time of the qualified low-income community
22 investment.

23 (2) Thereafter, the qualified community development entity shall submit
24 an annual report to the department within forty-five days of the beginning of
25 the calendar year during the compliance period. No annual report shall be due
26 prior to the first anniversary of the initial credit allowance date. The report
27 shall include but is not limited to the following:

28 (a) Number of employment positions created and retained as a result of
29 qualified low-income community investments.

1 **(b) Average annual salary of positions described in Subparagraph (a)**
2 **of this Paragraph.**

DIGEST

Present law taxes insurers based on the amount of premiums, called a "premium tax".

Proposed law creates the Louisiana New Markets Jobs Act which provides an income tax credit against the premium tax liability for any entity which makes an investment of private capital into a "qualified community development entity" (QCDE or "entity") located in Louisiana. The QCDE must have at least 100% of its cash purchase price used by the issuer to make "qualified low-income community investments" in "qualified active low-income community businesses" located in the state.

The tax credit is equal to 0% of the purchase price of the "qualified equity investment" (QEI) for the first two years and 10% of the purchase price for the next four years and 0% for the final year. The total of all such credits taken cannot exceed the entity's state premium tax liability for the tax year for which the credit is claimed; however, any credits that are not used are carried forward for up to 10 years. A total of \$125,000,000 of QEI investment authority is available for certification and allocation by the Department of Revenue. The department is required to accept applications beginning November 1, 2013, for allocation of up to \$62,500,000.00 of QEI.

"Qualified equity investment" (QEI or "investment") is defined as an equity investment in a "qualified active low-income community business" (QALICB or "business") that meets certain criteria as set forth in Section 45D of the Internal Revenue Code of 1986, as amended, and 26 CFR Sec. 1.45D-1.

Proposed law provides several definitions, including a "qualified community development entity" (QCDE or "entity") to mean that which is ascribed in Section 45D of the Internal Revenue Code. Under federal law, a QALICB is defined as a business located in either a census tract with a poverty rate of at least 20% or a census tract with a median income that does not exceed 80% of the benchmark median income. QCDE are privately managed investment entities that have received New Market Tax Credit allocation authority.

Proposed law provides that the premium tax credits earned by partnerships, limited liability companies, S-corporations, or other pass through entities can be allocated to the partners, members, or shareholders of such entities and provides that any unclaimed tax credits are transferable to one or more transferees.

Proposed law provides that a QCDE entity seeking to have an equity investment designated as a QEI investment must apply to the Department of Revenue (department) in an application for certification. Proposed law requires the department to grant or deny such application by a QCDE entity within 20 days after receipt. Further requires the department to inform such entity of the grounds for denial of any part of the application, extending such entity the right to provide additional information or to complete its application within 15 days of notice of the denial.

Proposed law requires the department to certify QEI investments in the order in which the applications are received by the department.

Proposed law requires QCDE entities or their transferees to issue the QEI investment within 30 days of receiving notice of certification. Further requires the entities or their transferees to provide the department with evidence of the receipt of the cash investment and the designation of the investment within five business days after receipt. Proposed law provides that in the event that a QCDE entity or its transferee does not receive the cash investment within 30 days of receipt of the certification notice, the certification lapses.

Proposed law further requires the department to recapture the tax credit from the entity that claimed such tax credit following the occurrence of either of the following events:

- (1) Any amount of a federal tax credit available with respect to a QEI investment that is eligible for a credit under proposed law is recaptured under Section 45D of the Internal Revenue Code, as amended. Proposed law requires the department's recapture to be proportionate to the federal recapture.
- (2) The issuer fails to invest an amount equal to 100% of the purchase price of the QEI investment in a QLICI investment in Louisiana within 12 months of the issuance of the QEI investment and to further maintain such level of investment until the last credit allowance date for the qualified equity investment.

Proposed law provides for a six month cure period before the department recaptures an entity's credits. A recapture can only occur after the entity has been given notice of noncompliance and six months from the date of such notice to cure such noncompliance.

Proposed law requires any QCDE entity seeking to have an equity investment qualified must pay a \$500,000 deposit to the department for deposit in the New Markets performance guarantee account. Proposed law requires the department to hold the \$500,000 deposit in the New Markets performance guarantee account until such time as the entity meets compliance standards set forth by proposed law. Further allows the entity to request a return of such deposit after 30 days of meeting compliance requirements.

Proposed law requires QCDE entities that issue QEI investments to submit a report to the department within the first five business days after the first anniversary of the initial credit allowance date. Such report must provide documentation as to the investment of 100% of the purchase price in QLICI investments in a QALICB business located in Louisiana.

Proposed law further requires the entity to submit an annual report to the department within 45 days of the beginning of the calendar year for the compliance period. The report must include the number of employment positions created and retained as a result of the investments and the average annual salary of such positions.

Proposed law authorizes the department to promulgate rules to implement the provisions of proposed law.

Proposed law authorizes the department to notify the Department of Insurance of any insurance company allocated tax credits hereunder and the amount of such credits.

Proposed law applies to tax returns or reports originally due on or after January 1, 2014.
