1 AMENDMENT NO. 1

2 On page 2, delete line 29 in its entirety and insert in lieu thereof the following:

3                   "(1) Administration of the pertussis vaccine, contingent upon  
4                   its availability, by a hospital if the hospital cannot be compensated  
5                   for administration of the vaccine at the normal or prevailing rate  
6                   which is at least equal to the product cost plus any administrative  
7                   costs for delivering the immunization over and above the  
8                   reimbursement level for inpatient care."
