Authorizes a checkoff for a donation to Hunters for the Hungry when purchasing a fishing or hunting license. (gov sig)

Proposed law provides that individuals who purchase fishing and hunting licenses have the option of making a donation to Hunters for the Hungry at the time of purchase of the license and upon the form prescribed by the secretary. Establishes the Hunters for the Hungry Account within the Conservation Fund and provides that all donations be deposited in the account. The account shall be administered by the treasurer who shall every three months remit the balance of the monies in the account to a nonprofit entity designated by the secretary. No more than five percent of the monies in the account shall be used by the designated nonprofit entity and Hunters for the Hungry for administrative costs. The remaining ninety-five percent shall be used solely by Hunters for the Hungry to pay for the processing and distribution of meats when the meats shall be used by a not-for-profit entity or a charitable organization in food or meal distribution at no cost the individual.

EXPENDITURE EXPLANATION

The proposed legislation will result in an increase in programming costs of approximately \$18,000 in FY 14 to add this feature to the electronic licensing system. The department's existing vendor currently charges approximately \$90 per hour for programming and the department estimates approximately 200 hours of work is necessary to make these changes. To the extent that numerous pieces of legislation are enacted requiring programming changes, the department may require additional resources.

REVENUE EXPLANATION

The proposed legislation creates the Hunters for the Hungry Account within the Conservation Fund. The amount of revenue to be deposited into the fund by donations is indeterminable at this time. The balance of the monies in the account will be remitted to the Louisiana Wildlife and Fisheries Foundation by the treasurer every three months.
