
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Ann S. Brown.

DIGEST

Peterson (SB 237)

Present law authorizes the board of the BioDistrict in New Orleans to include or designate as a separate subdistrict certain properties of the district.

Proposed law requires legislative approval of any territorial changes outside the district's original boundaries.

Proposed law authorizes the creation of economic development projects within the original boundaries of the downtown development district and the BioDistrict in the city of New Orleans.

Effective August 1, 2013.

(Amends R.S. 33:9039.68(B))
