EXPENDITURE EXPLANATION

The proposed legislation will increase governmental expenditures by an estimated \$44,800 in FY14. The proposed Task Force is similar to the Governance Commission that met in 2011 and 2012. Based on costs from the Governance Commission, the proposed Task Force will have the following costs: professional services for specialized or technical fields (\$32,900), travel (\$1,000), postage (\$1,200), supplies (\$1,600), meals (\$4,000), and printing (\$4,100). Current staff with the Board of Regents and other participating entities will provide administrative support to the Task Force. The recommendations of the Task Force may result in changes to the distribution of funding to higher education institutions.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
