Present law defines "public employee" as anyone, whether compensated or not, who is:

- (1) An administrative officer or official of a governmental entity who is not filling an elective office.
- (2) Appointed by any elected official when acting in an official capacity, and the appointment is to a post or position wherein the appointee is to serve the governmental entity or an agency thereof, either as a member of an agency, or as an employee thereof.
- (3) Engaged in the performance of a governmental function.
- (4) Under the supervision or authority of an elected official or another employee of the governmental entity.

Present law provides that public employee does not mean anyone whose public service is limited to periodic duty in the National Guard.

Proposed law retains present law exception and further adds anyone who donates property to and operates a hospital within Hospital Service District Number Two of Beauregard Parish.
