**Abstract:** Provides that information concerning prior arrests for sex offenses and crimes of violence as well as convictions dismissed pursuant to C.C.P. Art. 893 shall be provided to an institution of postsecondary education that requests the criminal history information of an applicant or prospective employee.

Present law provides that each institution of postsecondary education may require any applicant or prospective employee to submit to a criminal history records check conducted by the Bureau of Criminal Identification and Information which shall provide the institution of postsecondary education with state or national criminal history information, including all conviction information contained in the bureau's criminal history record and identification files which pertain to the applicant or prospective employee.

Proposed law adds prior arrests for sex offenses or crimes of violence and convictions dismissed pursuant to C.Cr.P. Art. 893 or 894 to the criminal history information that the bureau is required to provide to the institution of postsecondary education.
