20 in 1977, the amount available for the reimbursement of homestead exemption losses shall
21 be limited to the amount used for that purpose in 1977, adjusted by the percentage by which

 14 within the parish so that the lesser amount received by each tax recipient body shall be
 15 proportionate to the reduction in the total amount distributed to each parish, and the amount
 16 distributed by the state treasurer to the city treasurer of the city of Monroe shall be based
 17 upon similar prorating, if necessary; however, in the parish of St. Bernard, the Lake Borgne
 18 Levee District shall receive a minimum of \$163,000 and the St. Bernard Port, Harbor and

1 parish of Natchitoches, bond millages shall share and any tax recipient body in said parish
2 otherwise eligible to participate in the revenue sharing fund may use the funds for the
3 retirement of the principal, interest, or premium, if any, or any combination thereof, of any

21 allocated funds five thousand dollars for the St. Tammany Humane Society. In the event of
22 any decrease in the state's appropriated portion of the salaries of the St. Tammany Parish
23 Registrar of Voters Office, the parish governing authority shall make available out of its
24 allocated funds a sufficient amount to replace such state funds, not to exceed \$15,537.58.
25 Of the funds allocated within the parish of St. Charles, thirty thousand dollars shall be

22 same amounts of excess funds distributed in 1972 to each incorporated municipality in the
23 parish, the excess over the amounts distributed in 1972 shall be allocated and distributed to
24 each incorporated municipality in the parish in the ratio that the population in each bears to
25 the total population of all of the incorporated municipalities in the parish.

26 However, in the parish of Pointe Coupee, the sheriff shall retain the sum of ten

9 Section 13. The state treasurer shall distribute one-third of the total amount herein
10 allocated to the parishes from the revenue sharing fund to the parish tax collector, or in
11 Orleans Parish to the city of New Orleans, not later than the first day of December in each
12 year, one-third thereof not later than the fifteenth day of March in each year and one-third
13 thereof not later than the fifteenth day of May in each year, and each one-third of the total
14 allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10
15 of this Act; however, the legislative auditor may authorize the granting of additional sums
16 due any recipient in advance upon a showing that the advance receipt of such funds is
17 reasonably necessary. If the state treasurer does not distribute said fund on or before the
18 dates specified in this Act, any interest or other income derived by the state from the parish
19 allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis
20 together with the principal amounts due the parishes under the provisions of this Act. Any
21 interest or other income derived by the parish tax collector or the city of New Orleans from
22 the investment or other use of such total parish allocations received from the state treasurer,
23 earned prior to the distributions within the parish as required by the foregoing provisions of
24 this Act, shall be paid over a pro rata basis together with the principal amounts due the local
25 recipients under the provisions of this Act upon distribution thereto, and the parish tax
26 collectors or the city of New Orleans may retain only investment income earned on that
27 portion of the total parish allocation to which they are otherwise entitled under the provisions
28 of this Act. In light of the fact that all assessment roll figures will not be available in time
29 to base the December distribution by the treasurer on current figures, the distribution of

1 funds on the first day of December pursuant to this Act shall be based on the distribution
2 figures for Fiscal Year 2011-2012. The remaining two distributions on the fifteenth day of
3 March and the fifteenth day of May shall be based on current figures for Fiscal Year 2012-
4 2013, and such distributions shall be adjusted to compensate for the differences resulting in
5 the use of the Fiscal Year 2011-2012 figures for the December distribution.

6 Section 14. On or before such date as shall be established by the state treasurer, each
7 tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually
8 shall file with the state treasurer, on such forms as the state treasurer may require, all
9 information necessary to the computation of the funds to be distributed within the parishes,
10 including, but not limited to, a listing of all such local entities seeking eligibility for funds
11 as a tax recipient body under the qualifications set out in Section 1(a), all new millages of
12 such tax recipient bodies as are listed in Section 9(B), and all remaining authorities on the
13 tax rolls which are otherwise ineligible to participate in the distribution of revenue sharing
14 funds as tax recipient bodies. The listing shall include such verification for eligibility as
15 may be required by the state treasurer and, notwithstanding the provisions of Section 12
16 hereof, no revenue sharing funds shall be distributed prior to receipt and acceptance by the
17 state treasurer of such information and verification. The same authorities shall in the same
18 manner submit to the state treasurer a statement of the amount of revenue sharing funds
19 distributed to each recipient of such funds, including the amount deducted for sheriffs'
20 commissions and for retirement system contributions and shall state clearly on such forms
21 the amount of the distribution to each such recipient which is derived from excess funds and
22 the amount of such distribution which represents reimbursement for tax losses by reasons
23 of the homestead exemption. Such statement shall also include the amount of any revenue
24 sharing funds which remain to be distributed and the recipients to which such remaining
25 funds will be distributed.

HB No. 692

Abstract: Provides relative to the Revenue Sharing Fund.

Paragraphs (1) through (7) of this digest contain no changes from FY 2012-2013 and only restate the general provisions of last year's distribution; all changes for FY 2013-2014 are contained in Paragraphs (8) and (9) of this digest.

- (1) Provides for the annual allocation and distribution of the state revenue sharing fund in the amount of \$90,000,000 for FY 2013-2014. The parish allocation is determined by the parish's percentage of the total state population (80% of the revenue sharing fund) and the parish's percentage of the total number of homesteads in the state (20% of the revenue sharing fund).
- (2) Requires the state treasurer to remit the total parish allocation in three allotments no later than Dec. 1, March 15, and May 15, and further requires the sheriff to distribute such funds to the tax recipient bodies within 15 days after receipt. Authorizes the sheriff to distribute the first payment based on the previous year pending receipt of the current tax rolls and requires adjustments on the final two payments.
- (3) The constitution mandates payment, on a first priority basis from the parish allocation, of the sheriff's commission, retirement systems' deductions, and reimbursement to eligible tax recipient bodies for ad valorem taxes lost as a result of the homestead exemption; any monies remaining in the parish allocation after such payments are made are referred to as "excess funds" and are distributed on the basis of a local formula contained in the Act.
- (4) Provides that in any parish which had excess funds in 1977, except East Carroll, the amount available for the reimbursement of homestead exemption losses shall be limited to the amount used for that purpose in 1977, adjusted by the percentage by which the number of homesteads in the parish increased from 1977 to 2012. Prohibits participation of new millages levied after Jan. 1, 1978, unless authorized to participate on the same pro rata basis by the local legislative delegation.
- (5) Prohibits general obligation bond millages from participating in revenue sharing and restates the constitutional mandate that the issuing authority levy sufficient millage on all taxable property to pay annual debt requirements. Excepts Sabine Parish with operation and maintenance millages having first priority over bond millages, excepts Natchitoches Parish with maintenance and bond millages sharing pro rata, excepts the BREC Capital Improvement Tax in East Baton Rouge Parish, and excepts all bonds in Bossier Parish.
- (6) Requires that all local distribution authorities file with the state treasurer all information necessary for the computation and verification of amounts due the eligible taxing bodies, and provides that no funds shall be distributed prior to receipt of such information. Directs the state treasurer and sheriff to pay to a recipient any earnings received from the investments of the parish allocation.
- (7) Retains all prior authorized participations from Act No. 516 of the 2012 R.S.

- (8) The population shall be determined by the LSU AgCenter, Department of Agricultural Economics and Agribusiness, under the most recent federal-state cooperative program for local population estimates.
- (9) The listing below contains every parish with any change and includes all new tax recipient bodies and millages authorized to share in their respective parishes:
